Subject: Vacancy Letter of Intent

Dear Capitola City Council,

While it is the end of an era to see Mayor Brooks step down, I want to put forth my letter of intent to occupy the new vacant seat on Capitola City Council.

I would be honored to serve the City of Capitola for the next 2 years while the City works through this transitional period. I can provide some up to date leadership as I have been serving the city for the last four years.

During my term in office I worked well with my fellow council members and our city staff to complete many successful projects. Affordable housing projects, rebuilding and reopening of the Municipal Wharf, moving forward with our City's strategic plan, passing measure Y to ensure the prosperity of our community, among many other things.

One of my main goals taking office was to have more community awareness, knowledge and engagement and I am seeing that come to fruition as we navigate this transition and I could not be more pleased.

I would be proud to assist this new council for the end of Mayor Brooks' term, creating space for more people to become informed, and up to date with upcoming decisions so that they may properly run for a seat on council in 2026.

Council, you have a hard decision ahead of you as to how to move forward and I will support your decision whatever it may be. Serving this beautiful city is not easy, and you are never going to be able to please everyone at once, but I have faith you will do what is best for our community.

Please, if you have any questions do not hesitate to reach out.

Best regards,
Margaux Morgan
Capitola City Mayor 2023
