Special Talents and Interests
I have recently worked with colleagues in Recreation, Sports Leadership and Tourism and this collaboration has sparked my interest in Parks and Recreation. Most of my work has focused on older adults and caregiving. Creating parks that are accessible for everyone regardless of age or disability is something I have a strong interest in.

Community Involvement
I have served on several boards in North Carolina and when I lived for 11 years in Georgia. These boards have included the NC Marriage and Family Therapy Licensing Board, ElderHaus of Wilmington, The Georgia Firefighters Burn Foundation, Athens Community Council on Aging, The Georgia Gerontology Society, Northeast Georgia CARE-NET and the Columbia University School of Social Work Alumni Board.
