PREPARED BY: Bruce Oakley, Town Manager

DEPARTMENT: Executive

MEETING: Town Council Meeting 7/9/2024

SUBJECT: Request to Consider a Proposed Traffic Signal Modification at Harper Avenue and North Lake Park Boulevard

BACKGROUND:

As part of the future paving project on Lake Park Boulevard, the Town requested that NCDOT look at making improvements to the Lake Park and Harper Avenue intersection (see attached). The proposal requires a change to the traffic signal which would add \$30,000 to the project. The costs would be the responsibility of the Town. I am requesting your consideration of approval of the project.

ACTION:

Motion to approve the request to modify the traffic signal at Harper Avenue and North Lake Park Boulevard for a project cost of \$30,000.
