STREET AND ALLEY CLOSING PROCESS:

In order to meet all legal requirements regarding closing a street or alley or abandoning public right-of-way, it is recommended that the petitioner(s) employ counsel. This will also assure property owners of clear title to the petitioned property in the event the Town Council chooses to adopt a resolution to close the street.

Once the petition has been received, the Planning Department will coordinate a review of the proposed street closing with other Town Departments. Town Administration will make a recommendation to the Town Council. The Council will hold a public hearing, and then decide if the closing is in the public interest. If they determine that it is, they will pass a resolution closing the street or alley. At this time, the abutting property owners may submit recombination plats showing the new property lines to the Planning Department, wherein they will be authorized for recording in the New Hanover County Register of Deeds office.

All of the items noted above shall be delivered to town hall or be mailed to:

N. C. G. S. 160A-299 Procedure for permanently closing streets and alleys.

- (a) *When a city proposes to permanently close any street or public alley, the council shall first adopt a resolution declaring its intent to close the street or alley and call a public hearing on the question. The resolution shall be published once a week for four successive weeks prior to the hearing, a copy thereof shall be sent by registered or certified mail to all owners of property adjoining the street or alley as shown on the county tax records, and a notice of the closing and public hearing shall be prominently posted in at least two places along the street or alley. If the street or alley is under the authority and control of the Department of Transportation, a copy of the resolution shall be mailed to the Department of Transportation. At the hearing, any person may be heard on the question of whether or not the closing would be detrimental to the public interests, or the property rights of the individual. If it appears to the satisfaction of the council after the hearing that closing the street or alley is not contrary to the public interest and that no individual owning property in the vicinity of the street or alley or in the subdivision in which it is located would be thereby deprived of reasonable means of ingress or egress to this property, the council may adopt an order closing the street or alley. A certified copy of the order (or judgement of the court) shall be filed in the office of the register of deeds of the county in which the street or any portion thereof, is located.*
- (b) *Any person aggrieved by the closing of any street or alley including the Department of Transportation if the street or alley is under its authority and control, may appeal the council's order to the General Court of Justice within 30 days after its adoption. The court shall hear the matter de novo, and shall have full jurisdiction to try the issues arising and to order the street or alley closed upon proper findings of fact by the jury. No cause of action or defense founded upon the invalidity of any proceedings taken closing any street or alley may be asserted, nor shall the validity of the order be open to question in any court upon any ground whatever, except in an action or proceeding begun 30 days after the order is adopted.*
- (c) *Upon closing of a street or alley in accordance with this section, all right, title and interest in the right-of-way shall be conclusively presumed to be vested in those person owning lots or parcels of land adjacent to the street or alley, and the title of such adjoining landowners, for the width of the abutting land owned by them, shall extend to the centerline of the street or alley.*
- (d) *This section shall apply to any street or public alley that has been irrevocably dedicated to the public, without regard to whether it has actually been opened.*
- (e) *No street or alley under the control of the Department of Transportation may be closed unless the Department of Transportation consents thereto (1971, c. 698, s. 1; 1973, c. 426, s.47; c. 507, s. 5; 1977, c.464, s. 34)*

Section C.

SUMMARY INFORMATION

1. Official street or alley name: Croaker Lane (1400 block)
2. Location of the street or alley: From (name of intersecting street) Ocean Blvd extending (direction) S
(distance in feet) 400' to (name of intersecting street; if dead in or turnaround, state "termination") termination
3. Two (2) copies of tax maps or subdivision plats drawn to scale (at least 1" = 50') depicting the public street or alley right-of-way requested to be closed, showing the names of adjacent property owners, and indicating the location in relation to adjacent intersections and streets.

1. REASON FOR CLOSING THE STREET:

I would like to reduce the right of way from 90' to 50' to not only match the 1200 + 1300 blocks of Croaker Lane, but also all of the other fish streets in Wilmington Beach. The 1400 block of Croaker Lane terminates because of the Island Greenway.
