**SUBJECT:**

Presentation of the North Carolina League of Municipalities Law Enforcement Risk Review to the Carolina Beach Police Department – Presenter: Matthew A. Selves – Public Safety Risk Management Consultant

---

### **BACKGROUND:**

The purpose for this law enforcement risk review is to assess an agency's adherence to best practices, court decisions, and policies and procedures related to high liability activities in law enforcement. The goal is to mitigate liability exposures, enhance officer safety, and validate that training and operating procedures are meeting industry standards. The risk management review was designed and peer-reviewed by a panel of police chiefs representing a cross section of N.C. law enforcement agencies and is available to those agencies who participate in the League's property and liability insurance pool.
