

AGENDA ITEM COVERSHEET

PREPARED BY: Ed Parvin, Assistant Manager

DEPARTMENT: Executive

MEETING: Town Council 5/10/2022

SUBJECT: Bicycle Multiuse Transportation Implementation

BACKGROUND:

Staff is recommending multiple stop signs be modified to be consistent with the vision as described in the Town's long-range bike and pedestrian plans. The Bike and Pedestrian Advisory Committee gave a presentation to the Town Council on August 25, 2020 about recommending several modifications to existing stop signs. These modifications will help to improve vehicular, bike and pedestrian movement and safety in the recommended areas.

ACTION REQUESTED:

Consider the recommended motion below.

RECOMMENDED MOTION:

Motion to amend Sec 16-205. Schedule B, stop intersections, and Sec. 16-207. Schedule D, through truck/large vehicle streets as presented by staff.

1. Remove the stop signs on 4th Street at the Spartanburg intersection.
2. Add an all way stop (3 way stop) on 4th and Greenville.
3. Remove the stop signs on Greenville at the 5th Street intersection.
4. Remove the stop sign on Clarendon at the 6th Street Intersection.
5. Eliminate Spartanburg as a truck route.
