## General conditions.

(1) That the use will not materially endanger the public health or safety if located where proposed and developed according to the plan as submitted and approved by the issuance of the C.U.P.;

- The density falls within the standard T-1 density requirements and the proposed structures follows the setback requirements

(2) That the use meets all required conditions and specifications;

- The proposed CUP meets all required conditions and specifications

(3) That the use will not substantially injure the value of adjoining or abutting property, or that the use is a public necessity; and

- The proposed structures/use will conform with the neighboring properties.

(4) That the location and character of the use if developed according to the plan as submitted and approved will be in harmony with the area in which it is to be located and in general conformity with the town land use plan and policies.

-The desired Future Land Use of the Mixed Use 3 area includes relatively dense residential and commercial lodging use. This district serves as a transition and buffer from more intense and dense uses of the oceanfront multi-family and CBD. Building height will not exceed a 50' high maximum. Density will be high and average around 17 units per acre. Lot coverage will not be allowed to exceed 40%.

# P&Z Recommendation

Recommends approval of the proposed CUP, that it is in accordance with the draft grant order and that the applicant shall provide a 4' wide sidewalk on the drive aisle along the S. Carolina Beach Avenue Right of Way and that it meets the 7 specific standards and the 4 general conditions, if developed according to the plan as submitted and approved.

# Motion

- Approve the CUP, that it is in accordance with the draft grant order and that the applicant shall provide a 4' wide sidewalk on the drive aisle along the S. Carolina Beach Avenue Right of Way and that it otherwise meets the 7 specific standards and the 4 general conditions, if developed according to the plan as submitted and approved.
- Deny the CUP as it fails to sufficiently meet 1 or more of the general conditions to include (state conditions not met in the motion)
  - (1) That the use will not materially endanger the public health or safety if located where proposed and developed according to the plan as submitted and approved by the issuance of the C.U.P.;
  - (2) That the use meets all required conditions and specifications;
  - (3) That the use will not substantially injure the value of adjoining or abutting property, or that the use is a public necessity; and
  - (4) That the location and character of the use if developed according to the plan as submitted and approved will be in harmony with the area in which it is to be located and in general conformity with the town land use plan and policies.
