	General Assem	bly Of North Carolina	Session 2025		
1	Drinking Water Act in North Carolina, if the Secretary finds all of the following by sufficient				
2	evidence, the Secretary may order a responsible party to pay a public water system any actual				
3	and necessary costs incurred by the public water system to remove, correct, or abate any adverse				
4	effects upon the water supply resulting from contamination for which the person is responsible:				
5	<u>(1)</u>	The person is a PFAS manufacturer.			
6	<u>(2)</u>	The PFAS manufacturer discharged or release	ed PFAS into the environment		
7		that has caused or contributed to the presence	e of PFAS in the public water		
8		system.			
9	<u>(3)</u>	The concentration of PFAS in the public wa	ter system, including any raw		
10		water intake, regardless of the system's raw w	vater source, including surface		
11		water, public well, or pumped groundwa	ter storage, has exceeded a		
12		permissible concentration level.			
13	<u>(4)</u>	The public water system has incurred costs in	excess of fifty million dollars		
14		(\$50,000,000) to remove, correct, or abate a	dverse effects upon the water		
15		supply resulting from contamination by the res	sponsible party.		
16	Such costs shall include costs to procure, implement, maintain, and operate technology to				
17	reduce PFAS concentrations in finished drinking water below the permissible concentration				
18	level.				
19	(c) An order issued by the Secretary pursuant to subsection (b) of this section shall				
20	include findings of fact detailing the evidence to support the Secretary's determination with				
21	respect to subdivisions (1), (2), and (3) of subsection (b) of this section. If a responsible party				
22	refuses to comply with an order, the Secretary may institute an action in the superior court of the				
23	county where the public water system exists to enforce the order.				
24	(d) <u>A res</u>	ponsible party shall be jointly and severally liab	ble for all actual and necessary		
25	costs imposed by the Secretary pursuant to subsection (b) of this section. Nothing in this section				
26	shall limit or diminish any rights of contribution for costs incurred herein.				
27	(e) <u>A public water system shall reimburse ratepayers of the system through refunds or</u>				
28	credits to customers, or a reduction in future rates charged, in a manner that will not impair any				
29	existing financing obligations that may be associated with the public water system if (i) the public				
30	water system has previously expended funds to remove, correct, or abate any adverse effects				
31	upon its water supply resulting from PFAS contamination, (ii) the amount of funds expended by				
32	the public water system for that purpose has been included in rates charged to its ratepayers, and				
33	(iii) the funds expended by the public water system are subsequently reimbursed by the				
34	responsible party as the result of an order issued pursuant to subsection (b) of this section.				
35	(f) The remedy under this section is in addition to those provided by existing statutory				
36	and common law."

38	PART II. EFFE	CTIVE DATE			

SECTION 2. Section 1 of this act is effective when it becomes law and applies retroactively to costs incurred by a public water system on or after January 1, 2017, to remove, correct, or abate any adverse effects upon a water supply resulting from contamination, irrespective of when a maximum contaminant level was established by the United States Environmental Protection Agency for the PFAS compound in question. The remainder of this act is effective when it becomes law.
