

## AGENDA ITEM COVERSHEET

---

**PREPARED BY:** Jeremy Hardison, Planning & Development Director  
Darrel Johnson, Building Inspector

**DEPARTMENT:** Planning & Development

**MEETING:** Town Council – 23 June 2020

**SUBJECT:** Hurricane Building Damage Review

---

**BACKGROUND:**

Town Council asked staff for an update on the status of hurricane damaged buildings. Over 1,000 units that consisted of single-family, multi-family and commercial were damaged during Hurricane Florence. Staff has worked with the property owners since then to either demolish the structure or repair it. There are only 6 remaining properties that staff is still working with owners on either repairing or demolishing them. Attached is a power point with an explanation of each property.

**ACTION REQUESTED:**

No action is being requested from staff
