Office of the Commander:

This request letter is in reference to improvements on the Carolina Beach Island Greenway.

Girl Scout Troop 4785 is working to complete their Bronze Award. Their proposed project consists of installing 6 quarter mile marker posts on the Island Greenway. The troop believe this project will help motivate users of the trail to set goals and lead a healthier lifestyle. The trail markers will also serve an important safety function for first responders by providing an additional reference point for anyone to use that is in need of assistance. The Town fully supports this proposal and we would respectfully request you granting support to Troop 4785

Sincerely,

LeAnn Pierce  
Mayor
