

PEDESTRIAN BENCHES

May 30, 2024 – Carolina Beach Town Council Workshop

PEDESTRIAN BENCHES

Summary:

“A Joint Proposal between Operations Advisory, Beautification, Bike & Pedestrian Committees for Pedestrian Benches placed Strategically along Lake Park Blvd between Snow’s Cut Bridge and Alabama Ave. to follow the Planned Re-paving Project”. 100% Privately Funded.

What we are asking for:

Support of Town Council to move forward and Direct Staff to collaborate with us to define:

- Bench Supplier (will consider Historical Supplier & Alternates as directed)
- Bench Size (5 Ft. Fixed Back)
- Color (One Color, Light Tone & Colorful (non–heat absorbing))
- Bench Installation Method (basic footing)
- Bench Locations & Refinements (need by Staff Regarding setbacks, permissions, etc.)
- Locations (have considered 12 potentials for first 7 Initial Locations).
