Tony,

Clelie Welch is the women's name. She was a long-time member of the Casco community as well as a veteran. Clelie volunteered for the recreation department and was always shopping cleaning and running the concession stand at the community park. She loved being involved watching the games and talking to everyone.

For her years of volunteering and being a huge part of our community, I would love to have a plaque at the concession stand the says Clelie's Consession.

Beth

Beth,

Would you please write me a e-mail or short memo requesting the naming of the concession stand at CCP. I would like to include that in the Selectboard's packet.

If possible, could you get it to me today?

Thanks

Tony
