Detailed Terms & Conditions on the following page

Terms & Conditions

- **Installation:** All work under this proposal will be performed by Company in a professional manner in accordance with industry standards. Any change to or modification of the project described above must be agreed to by both parties and the customer will be responsible for any increased costs or expenses resulting from such change or modification.
- **Schedule Contingencies:** Conditions or events beyond the control of Company may jeopardize the proposed performance schedules. Company shall not be responsible for delays in delivery beyond Company's control. Examples of conditions or events beyond Company's control include inability to access the Client's facility, extreme weather conditions, or force majeure.
- **Cancellation:** Customer may choose to cancel prior to material shipment without additional restocking charge(s). Material orders that have been manufactured and/or shipped cannot be canceled and returned. All order cancellations must be in writing. All costs for warehousing and freight on orders canceled after shipment and/or refused at destination will be charged to the Customer. • **Maintenance of Material:** Customer acknowledges and agrees that Customer shall operate and maintain the material in accordance with the manufacturer's recommendations.
- **Indemnification and Limitation of Company's Liability:** Customer shall indemnify, defend and hold harmless Company, its affiliates and their respective contractors, officers, directors, employees, agents, representatives from and against any and all claims, damages, losses and expenses, including reasonable attorneys' fees and costs incurred to enforce this indemnity, arising out of, resulting from, or related to the project or the performance of any services or other work in connection with the project's ("Damages"), caused or alleged to be caused in whole or in part by any actual or alleged act or omission of the Customer, any subcontractor, agent, or third party, or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. The total maximum liability of the Company for all work performed under this proposal shall not exceed the total amount paid by the Customer for such work. The Company and its affiliates and their respective contractors, officers, directors, employees, agents, representatives shall not be liable to the Customer or any other party for any other obligation. To the fullest extent allowed by law and as part of the consideration for participation in the project, the Customer waives and releases the Company and its affiliates from all obligation, and for any liability or claim associated with the material, the performance of the material, or these Terms and Conditions.
- **Contractor Selection:** Customer acknowledges that the Company reserves the right to select a vendor or contractor to install the materials and equipment at the Customer's facility.
- **Warranty:** Warranty of material per manufacturer's policy upon purchase of material.
