Marketing budget, tools, and resources available:
My marketing and budgeting approach is customized to fit each individual transaction, as every property is unique.
While there is no fixed budget per listing, I ensure that each property receives the level of exposure it deserves. This
typically includes professional photography, aerial drone shots, and property videos. Every listing is also strategically
promoted on social media platforms to reach targeted audiences. For commercial properties I also utilize the New
England Commercial Property Exchange (NECPE) platform to ensure visibility among serious investors and industry
professionals. My goal is always to create maximum exposure with a tailored approach that gets results.

A couple of recent transactions that highlight the strength of our marketing approach and understanding of the local
market; I sold a commercial property at 1575 Bridgton Rd in Westbrook. I implemented a full marketing campaign
including social media, a listing on NECPE, custom made sign and professionally designed brochures. The property
was on the market just 47 days compared to the areas average of 119 days for commercial properties. More
