Good afternoon Tony,

The Greater Portland Council of Government's (GPCOG) General Assembly & Annual Summit are coming up on Thursday, May 28, 2026. We will be in person on the beautiful campus of St. Joseph's College in Standish. The lead-in to our Annual Summit is the GPCOG General Assembly meeting. GPCOG's General Assembly is made of delegates from our members, and Town of Casco is allowed two delegates and an alternate. Last year, Eugene Connelly and Mary Fernandes were the delegates, and there was no named alternate.

May I ask that you send me your list of delegates and alternate for 2026? We try to reach out early so if you prefer to have this voted on at a council meeting, you have plenty of time.

Since Mary Fernandes is on the GPCOG Executive Committee, she must be one of your general assembly delegates. The general assembly will elect the Executive Committee and officers from within its membership on May 28, 2026, so anyone who may want to be on the Executive Committee would need to be a delegate.

Please do not hesitate to reach out if I can be of any service,  
Dani
