

## TOWN COUNCIL AGENDA ITEM

### TOWN OF CENTURY

COUNCIL MEETING – Dec. 18, 2025

#### **AGENDA ITEM: Request for Inclusion to receive funding from the FDEP State Revolving Fund for construction of the needed water system improvements**

To: Mayor and Town Council

From: Dave Murzin, Town Manager

Re: Request for Inclusion to receive funding from the FDEP State Revolving Fund for construction of the needed water system improvements

Date: Dec. 18, 2025

#### **Subject:**

Approving and authorizing a request to FDEP to include the Town to receive funding from the FDEP State Revolving Fund (SRF) for construction of the needed water system improvements.

#### **Background:**

The Town was approved for a loan/grant from FDEP SRF (Project DW 170340) to complete the planning and design for certain water related projects. Work associated with this agreement includes various water projects throughout the Town's franchise area including (i) rehabilitation of Well No. 1; (ii) replacement and rehabilitation of Well No. 3; (iii) Tedder Road booster pump station; (iv) purchase of billing software; and (v) water service renewal throughout the Town. Funding for the actual construction of those projects is also anticipated to come from the FDEP SRF. A "Request for Inclusion" is the first step required to seek and subsequently receive SRF funding for construction of the projects noted. Council approval of efforts to obtain construction funding is needed.

#### **Recommendation:**

1. Approve Municipal Engineering Services, Inc. to prepare and submit a Request for Inclusion, along with the required supporting documentation on behalf of the Town, for SRF funding of construction of aforementioned needed improvements to the Town's water utility system.
2. Authorize the Mayor to take all actions necessary and appropriate to (a) seek, request, apply for, and obtain funding through loan and/or grant for construction of the aforementioned

projects (and other projects related thereto), (b) negotiate, approve, and finalize on behalf of the Town all documents and agreements in any manner relating to seeking, requesting, applying for, and obtaining funding through loan and/or grant for construction of the aforementioned projects (and other projects related thereto); and (c) execute on behalf of the Town all documents related thereto.

III. *Quadient Leasing.* The third item on the agenda should be consideration of terminating the Town's lease with Quadient Leasing USA for the mail processing equipment. From our conversation this afternoon, I believe that you have all the information needed for the agenda item and staff memorandum/recommendation.
