

FIRST WEST FLORIDA BAPTIST DISTRICT ASSOCIATION

January 20, 2026

Greetings in the Mighty Name of Jesus!

On behalf of the Young People's Department (YPD) of the First West Florida Baptist District Association, we extend heartfelt greetings to you in the new year. The YPD is dedicated to training our youth for Christian service and leadership. As we look ahead to our 2026 calendar, we are excited to launch a series of programs designed to nurture their faith and provide safe fellowship.

To make these opportunities accessible to every child in our community, we are seeking your support for our upcoming initiatives:

Saturday YPD Workshops & Youth Revival: Providing spiritual grounding and leadership training to help our youth navigate today's world with a foundation of faith.

Back-to-School Glow Skate & YPD Picnic: Celebrating our community through safe, joyful fellowship and providing a positive send-off for the new academic year.

Autumn Adventure & Harvest Festival Prayer Breakfast: Engaging our youth in the beauty of the season while keeping them focused on gratitude and spiritual growth.

Would you consider a gift to help us reach our goal of \$10,000.00? Your contribution will fund event logistics, materials for our workshops, and sponsorships for youth who may face financial barriers to participation. Your donation of \$300, \$500 or \$700 ensures that no child is left behind.
