

AGENDA ITEM: Adoption of Resolution 2026-001 – 2025 Local Mitigation Strategy Plan

Meeting Date: January 6, 2026

Subject: Adoption of Local Mitigation Strategy (LMS)

Authority:

Under the federal Disaster Mitigation Act of 2000, local governments must adopt a Local Hazard Mitigation Plan in order to be eligible for FEMA disaster mitigation funding. The Town of Century participates in the Escambia County Local Mitigation Strategy (LMS) program.

Summary:

The Local Mitigation Strategy (LMS) is a multi-jurisdictional planning document that identifies hazards such as tropical storms, flooding, wildfire, and chemical spills, and outlines mitigation strategies intended to reduce potential loss of life, property damage, and environmental impacts.

Escambia County has updated the LMS for 2025 in accordance with state and federal guidelines. Adoption of Resolution 2026-001 formally approves the updated LMS and ensures the Town remains eligible for hazard mitigation grant funding.

Action Requested:

Approve Resolution 2026-001 adopting the Escambia County LMS Group Multi-Jurisdictional Plan as the official hazard mitigation plan for the Town of Century.

Recommendation:

Staff recommends approval.
