Notes

While on site the technician noted that the unit would not start and after some troubleshooting it was discovered that one of the generator controller boards will need to be replaced. IPS to order new parts and travel to site to remove and replace the faulty board. Once work is completed unit will be tested for proper operation.

Authorized Signature & PO

Any sales tax due on work will be calculated and included in final invoice unless a valid tax-exempt certificate has been supplied and is on file.

Tariff Surcharge - please note this quote is subject to a tariff surcharge which will be estimated based on the current tariff environment. The final tariff surcharge will be updated at the time of invoicing.

Proposal does not include any additional work or material due to unforeseen problems that may be discovered after work has begun. TAW is not responsible for any permitting that may be required to perform any of the services described above. This proposal is separate from any previous proposal written or implied, and requires authorization and purchase order to proceed. Jobs that require special order parts will not go on the schedule until parts are in at a TAW warehouse. A temporary date may be given and is subject to change. A 25% restocking fee will be charged to all
