

TOWN OF CENTURY, FLORIDA

TOWN COUNCIL MEETING

DATE: June 2, 2026

AGENDA ITEM

SUBJECT: Century Miscellaneous Wastewater Improvements (Phase II) - Change Order No. 6

PRESENTED BY: Dale Long

BACKGROUND:

The Town Council has received a request from Talcon Group for a Change Order that includes an additional cost to the project of \$408,952.93 to adjust the project quantities and to compensate the Contractor for required repairs to the existing Motor Control Center to enable the new equalization pumps and aerators to function. This change order will cover the costs associated with coordinating Dunaway Electricals' services, including their labor, materials, and supervision, to make both aerators and both EQ pumps operational at the Town of Century WWTP. The change order will include the replacement of starters for one (1) aerator and one (1) EQ pump. It will also include the replacement of a monitor relay for one (1) aerator.

Fiscal Impact

Funding amount is to be determined by the Town Council and subject to available budget appropriations.

REQUEST:

It is requested that the Town Council:

1. Approve the Mayor to sign and execute the Change Order

MOTION FOR CONSIDERATION:

Motion to approve an additional amount of **\$408,952.93** and authorize the Mayor and Town Clerk to process the additional amount in accordance with Town policies and available funding.
