

Height Regulations

Item: Add a maximum height for stacking items to zoned area to prohibit unsightly and unsafe stacking of items.

Discussion:

1. Add a maximum of 8' height for stacking of any items in the residential or business districts in Town.
2. A 8' height maximum for stacking of items will prohibit unsightly items from towering above fences and will be safer for residents.

Recommendation:

1. Town Council approves as a first reading the following additions to the Code of Ordinances:

6-3-177. Height Regulations.

(e) No items stored on the property may be stacked or exceed 8' in height.

6-3-187. Height Regulations.

(e) No items stored on the property may be stacked or exceed 8' in height.

6-3-196. Height Regulations.

(d) No items stored on the property may be stacked or exceed 8' in height.

6-3-206. Height Regulations.

(d) No items stored on the property may be stacked or exceed 8' in height.

6-3-210.2. Height Regulations.

(c) No items stored on the property may be stacked or exceed 8' in height.
