Fundraisers- We finished up a successful round of Turkey Shoots. We hope to have more in the Fall.

Training- We still have 2 members in Firefighter 1 class. Other members have also taught and assisted with the class. Members also held a large water supply training during the month.

Calls- Members handled several significant calls involving structure fires and entrapments. All calls were handled swiftly and professionally.

Special Notes- On the evening of May 30th, CCVFD was dispatched to a hit and run. Once E32 arrived, the crew noted that the only thing keeping the elderly couple from getting home was a busted wheel.

After VSP gave the ok, the crew of E32 changed the tire for the couple, allowing them to get home and to bed after traveling all day.
