

January New Business Economic Development Committee

Item: To establish a Mayor appointed committee for economic development in Town.

Discussion:

1. The Town does not currently have a committee designated to economic development.
2. The Committee will consist of two Council members, an IDA representative, a community at large member and a Chamber of Commerce representative.
3. The creation of an economic development committee will allow members of Council, IDA and the Chamber of Commerce to work together for economic growth in Town.

Recommendation:

1. Town Council approves the creation of an Economic Development Committee.
