

## **NOVEMBER 2024**

### **Public Works Monthly Update**

**Cold temps are here!!! I think?! The up and down weather is playing havoc with the guys. Short sleeves to thermals in a weeks time. It's been crazy to say the least.**

#### **Street Department**

**The Street Crew has been on a constant grind trying to keep up with the falling leaves. Most of their time goes toward the process of elimination. The warm weekends we have had along the way means more people doing yard work and more debris being put out. The guys helped Chris get all the Christmas decorations up on Main St. and at the Pavilion.**

#### **Water/Sewer Department**

**The Water Crew was able to get the new water line installed, from Butlers on Washington St. over to Railroad Ave., for the Town's part in the B St. rehab project. We are now waiting on test samples to come back so the new service lines can be tied in. With the cold temps at night, we have had several weekend leaks to deal with. The latest and biggest one was at N. Main/Dodd St., which the work started Sunday afternoon into Monday morning. With the help from the guys and myself, we got it taken care of.**

#### **Maintenance Department**

**The guys in the shop have been busy as well. They had several vehicles in for maintenance and due for state inspections. The dumpster truck came in with an air tank issue. The tank was taken off, repaired and the truck was put back in service. The garbage truck is in now for what seems to be a minor repair.**

#### **Other Updates**

**The WasteWater Plant is performing to standards. It is in need of some equipment repairs in the near future. The press will hopefully be back in service soon as well.**

**If all has cleared, Comfort Systems will be coming by for the installation of a new heating system for the shop.**

**We had a grand illumination of the Christmas Tree at the Pavilion on Wednesday, ahead of the annual Christmas parade on the 8th.**

**THANKS TO ALL OF THE GUYS FOR ALL OF THEIR HARD WORK!!! YOU ALL ARE APPRECIATED!**

**MERRY CHRISTMAS and a HAPPY NEW YEAR to All!!! May you all be Blessed with your Health and Prosperity!**
