

Pavilion Policy Update

Item: To increase the amount charged for use of the Pavilion.

Discussion:

1. The Town currently charges a \$50.00 deposit to use the Pavilion shelter.
2. So long as the Pavilion is left clean, all money is returned to the renter unless the renter uses electricity. If the renter uses electricity, the town keeps \$25.00 and the remaining \$25.00 is refunded.
3. There is currently no fee to use the Pavilion grounds.

Recommendation:

1. Town Council approves an increase in the rental of the Pavilion shelter to \$200.00, of which \$50.00 will be refunded as long as the shelter is left clean.
2. Town Council approves a charge of \$200.00 to use the Pavilion grounds, of which \$50.00 will be refunded if the grounds are left clean.
