

Water, Sewer Escrow, and Garbage rates

Item: To update the Code of Ordinances to reflect changes made to water, sewer escrow and garbage rates in the FY23 budget.

Discussion:

1. The water, sewer escrow and garbage rates were all changed effective July 1, 2022 when the FY23 budget was adopted.

Recommendation:

1. Town Council approve as a second reading and adopt the following changes to the Code of Ordinances.

Sec. 5-1-34. – Schedule of Rates – Generally.

Monthly consumption of water shall be paid for at the following rates:

0—3,000 gallons \$27.60

Next 10,000 gallons, per 1,000 gallons \$6.40

All over 13,000 gallons, per 1,000 gallons \$6.27

All over 125,000 gallons, per 1,000 gallons \$5.63

Sec. 5.2-29. - Sewer escrow rates and charges generally.

(a) Charges for sewer escrow shall be based upon the monthly consumption of water by the user and shall be paid at the following rates:

0—3,000 gallons \$6.50

Next 10,000 gallons, per 1,000 gallons \$2.16

All over 13,000 gallons, per 1,000 gallons \$1.58

All over 125,000 gallons, per 1,000 gallons \$0.94

Sec. 4-2-13. Collection charges generally.

A garbage collection service is hereby established. Each dwelling unit, including each apartment with a kitchen, or business unit on street within the town on which the garbage truck travels shall avail themselves to this service.

- (1) Residences, including apartments with kitchens, two collections, weekly: \$13.00 per month.
