April proved to be a slower month for calls. Members trained on dry hydrant operations and setting up the drop tank. These skills are pertinent for our rural district. We also participated in the Healthy Kids Day hosted by the YMCA. Children were able to see our equipment, interact with a firefighter in full gear, and use the hose to put out the house fire (always a crowd favorite!)

We are also happy to announce that we received a grant in the amount of \$1500 from NiSource/Columbia Gas of Virginia. This money will go towards upgrading our Brush Truck lighting.
