611 - Dispatched & canceled en route	2	2
Total	9	9

Training

This month's training was focused on vehicle extrication. Members were able to put their hands on and use our new equipment that was purchased with grant money received by Williams Pipeline. Also, thanks to Spurlock's Garage for the donation of the car and their continuous support.

Certifications

Congrats to Josh Whitten for completing all the requirements to be a Firefighter I and II instructor for the Commonwealth of Virginia.
