SUMMARY

This resolution will approve the submission of an application to the State of Florida Department of Law Enforcement for the Edward Byrne Memorial Justice Assistance Grant Direct (JAGD) for the purchase of UTM 9mm UTX Red training rounds up to the amount of \$1,360.00. This will provide Law Enforcement with further resources in force-on-force scenarios, including close-quarters battle, use-of-drills, and role-player interactions, mimicking real-world encounters. This investment fosters confidence, sharpens decision-making, and prepares officers for high-stress situations while prioritizing safety and environmental responsibility.
