

City of Chipley Schedule of Projects

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Water Meter Upgrade Project Northwest Florida Water Management District				\$1,037,119.00		
Consultant: Liberty Partners of Tallahassee						
Project: This funding will upgrade and replace all water meters in the city automatic meter read system. We are currently awaiting funding approval to see if we will be awarded.						
2025 PHMSA Technical Assistance Grant U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Technical Assistance Grants		Equipment Purchase	20.710	\$ 60,863		
Consultant: Florida Gas Utility						
Project: We are currently working on submitting a 2025 PHMSA Technical Assistance Grant which will purchase GIS Mapping software and contracting and combustible gas detection equipment. These grants have not opened back up yet since the federal freeze took place on funding.						
Bennett Drive Improvements Florida Department of Transportation, Small County Outreach Program (SCOP)		Design Construction CEI	55.009	\$ 794,759.57		
Consultant: Melvin Engineering						
Project: This funding will be used for drainage and resurfacing improvements to Bennett Drive from East Church Avenue to Glenwood Avenue (approx. 0.52 miles). The engineering agreement was approved by the City Council in January 2025 and DHM has started the design process on this project. The design is 30% complete at this time.						
First Responder Emergency Equipment State of Florida Department of Commerce, Local Economic Development Initiatives	HL175	Fire Tanker and Equipment	40.038	\$ 500,000	07/01/23	06/30/25
Consultant: Liberty Partners of Tallahassee						
Project: This funding was used to purchase a Freightliner 1,250 gallon Tanker Truck, along with nine (9) SCBA Packs, twenty (20) SCBA Cylinders, nine (9) SCBA Facepieces, one (1) Charging Station, and six (6) Battery Packs. The tanker truck has been ordered and has an estimated arrival date of mid 2025 and all of the equipment has been ordered and received. We submitted a request for funds for the entire project amount and the funds have been received and have been placed in deferred revenue until such time that the truck is received. At this time expected arrival is September 2025.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Lead Service Line Replacement Florida Department of Environmental Protection, Drinking Water State Revolving Fund		Planning Engineering Construction Technical Services		\$ 275,000 \$540,000 \$8,800,000 \$640,000		
Consultant: Mott MacDonald				\$ 10,255,000.00		
Project: This grant/loan funding will allow us to replace any lead service lines that are found during the inventory that is currently being completed. The inventory has been completed and we are awaiting further direction from FDEP.						
Shivers Park Project Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)		Development	37.017	\$ 200,000		
Consultant: Fred Fox Enterprises						
Project: The City Council approved the agreement in November 2024. This funding will be used to construct pickleball courts, an ADA playground and sidewalks to the new courts and playground, along with renovations to the existing parking lot, playground area, picnic pavilion and restrooms. We are currently working on the required commencement documents and once completed and approved by the State we will start the project.						
Gilmore Park Project Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)		Development	37.017	\$ 50,000		
Consultant: Fred Fox Enterprises						
Project: The City Council approved the agreement in November 2024. This funding will be used to construct a new playground, picnic pavilion and security lighting, along with renovations to the existing playground, restrooms and parking lot. We are currently working on the commencement documents and once completed and approved by the State we will start the project.						
Old Chipley City Hall - Phase II Florida Department of State, Division of Historical Resources		Planning	45.031	\$ 50,000		
Project: This funding will be used to procure a consultant to do additional assessments to the building to include mold, electrical, mechanical and ADA recommendations. The architectural and structural assessments were completed in Phase I of this project. The agreement with Baker Design has been approved by the council and the engineers have started the work.						
2023 Bulletproof Vest Program United States Department of Justice, Bureau of Justice Assistance, Bulletproof Vest Partnership	2023 BVP	Bulletproof Vests	16.607	\$ 1,275 Match \$ 1,275	04/01/23	08/31/25
Project: This funding will be used to purchase three (3) bulletproof vests. Bulletproof Vests have a life of five (5) years and then they are required to be replaced. This grant covers up to 50% of the cost of the vests.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Fire Truck and Equipment United States Department of Agriculture Pass-through Florida Department of Agriculture and Consumer Services Community Facilities Loan and Grant Program	Resolution No. 22-31	Fire Pumper and Equipment	10.766	\$ 338,000 Loan/Grant \$ 330,000 ARPA Funds		
Consultant: SERCAP Project: This funding will be used to purchase a new fire pumper apparatus and equipment to ready it for use. The truck has been received. We held the Push-In Ceremony on May 14th and the bond closing took place on May 21, 2024. The truck and equipment has been paid for. We have about \$13,000 left to spend from grant funds, and we hope to have this project finalized and closed out in the next 30 days.						
Chipley Mongoven Building U.S. Department of Housing & Urban Development Florida Department of Economic Opportunity, Community Development Block Grant	M0041	Engineering Construction CEI	14.228	\$ 852,800	04/14/22	09/30/25
Consultant: Melvin Engineering Project: This funding will be used to purchase the Mongoven Building property, demolish the building, and build a nice park area. The property has been purchased and the demolition bids have been received. The demo is 100% complete and Phase II which is the structural stabilization, has been bid and awarded. The construction contract was approved last month and the contractor has started the work.						
Chipley Peach Street Lift Station Improvements U.S. Department of Housing and Urban Development, Community Development Block Grant	H2567	Administration Engineering Construction CEI	14.228	\$ 700,000 ARPA Funds \$ 240,825	01/01/23	07/31/25
Consultant: Fred Fox Enterprises Project: This funding will be used to replace the Peach Street Lift Station and if the funds are available also complete septic to sewer on 1st Avenue. This project environmental review phase is now pending completion and we are awaiting the approval to move forward with project expenditures. We hope to get the approval so we can award this project this month. The State has agreed to allow us to utilize funds from the MT148 project below to fund the balance of this project that was overbudget. The Council approved the award and contract at the special meeting.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Citywide Flooding Resiliency Improvements U.S. Department of Housing and Urban Development, Community Development Block Grants (CDBG-MIT) General Infrastructure Program	MT148	Administration Engineering Construction CEI	14.228	\$ 2,936,950	01/19/23	01/19/27
Consultant: Melvin Engineering Project: This funding will be used to clean, reshape and stabilize existing ditches, construct new lateral outfall ditches; restore and expand existing cross drains to ensure proper conveyance to the stormwater management facility. This project has been advertised for construction bids and awarded. We are working on a contract with the contractor which we will bring to the council for approval as soon as possible.						
Public Works Building Solar Panel Project Florida Department of Agriculture & Consumer Services, Florida's Fiscally Constrained Energy Efficiency Program	30764	Construction	81.041	\$ 200,000.00		09/30/25
Consultant: SERCAP Project: This funding was used to install a 40 kilowatt photovoltaic solar power system at the Public Works Building. The panels have been placed on the roof of the building. The contract with Alternative Energy Systems is 100% complete and FPL has installed the new bi-directional meter. We will continue to monitor this project to determine the savings the City is receiving from the solar panels.						
Chipley Fire Tanker Truck U.S. Department of Homeland Security Assistance to Firefighters Grant		Fire Tanker		\$ 650,000.00		
Consultant: Liberty Partners of Tallahassee Project: This funding will be used to purchase a new Fire Tanker Truck. We are awaiting funding approval to see if we will be awarded.						
2024 Bulletproof Vest Program United States Department of Justice, Bureau of Justice Assistance, Bulletproof Vest Partnership	2024 BVP	Bulletproof Vests	16.607	\$ 1,045 Match \$ 1,045		
Project: If approved, this funding will be used to purchase two (2) bulletproof vests. Bulletproof Vests have a life of five (5) years and then they are required to be replaced. This grant covers up to 50% of the cost of the vests.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Speed Reduction Efforts						
Florida Department of Law Enforcement Edward Byrne Memorial Justice Assistance Grant Program, Florida JAG Direct	2023-JAGD	Purchase Traffic Radar Data Collector	16.738	\$ 1,579		
Project: This grant will purchase a traffic radar data collector will be paired with previously purchased speed signs to provide data on when and where to focus traffic efforts. We are currently working on ordering this equipment.						
Gilbert Acres Stormwater Improvements						
Florida Department of Environmental Protection, Resilient Florida Program		Design Construction		\$ 2,880,000		
Consultant: Melvin Engineering						
Project: If approved, this funding will be used to improve the outfalls from Gilbert Acres to the west (toward Alligator Creek) and back to the east toward US 90, where the City also has the Peach Street project and lift station project. We are in the funding range now we just wait to see if the funding is approved during the legislative session.						
ADG Backflow Program						
Project: We have been working on a backflow program that will benefit City Hall and the Public Works Departments in tracking annual backflow certifications. We are working with CLS Technology to allow Public Works access to our City Hall server so they can login and utilize the program. Once this is complete we should be ready to move forward with using the program.						
Utility Kiosk						
Project: We have reached out to companies about kiosks and we are currently working with our software provider to determine the best route for us to go in order to be able to make the most efficient use of the equipment we purchase. Some kiosks are compatible and some are not so we are working through that and will know more soon. Now that we have worked through the finalization of the ARPA funding we should be able to now move forward with this project utilizing city funds. I am waiting until we know for sure what we will need for the Peach Stree project.						
Chipley Downtown Parking Project						
Florida Department of Commerce, Rural Infrastructure Fund		Design Construction	40.042	\$250,000		
Consultant: Metric Consulting						
Project: This funding will be used to construct and rehabilitate city-owned properties to alleviate the parking insufficiency in the downtown area. This project was not approved for funding this cycle.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Brickyard Road Wastewater Design Project Florida Department of Commerce, Rural Infrastructure Fund	Consultant: Liberty Partners of Tallahassee	Planning	40.042	\$ 295,000		
Project: This funding will be used for the design, engineering, and survey work needed to extend public sanitary sewer service approximately 5,500 linear feet along Brickyard Road. This is a critical east/west corridor, and the extent of the project includes SR-77 to Hoyt Street. This project has been advertised for RFQ's and we will be bringing this to the council for approval in May.						
I-10/Highway 77 Infrastructure Design Project Florida Department of Commerce, Rural Infrastructure Fund	Consultant: Liberty Partners of Tallahassee	Planning	40.042	\$ 246,500		
Project: This funding will be used for the design, engineering, and survey work necessary to extend wastewater and natural gas infrastructure to the south quadrants of the I-10 and State Road 77 Interchange. This project was not approved for funding this cycle.						
Chipley Wastewater Energy Efficiency Project Florida Department of Agriculture & Consumer Services, Florida's Fiscally Constrained Energy Efficiency Program	Consultant: Melvin Engineering			\$ 661,500		
Project: This funding will be used to optimize energy consumption, reduce operational costs, and ensure compliance with regulatory standards. The goal is to replace pumps/motors/scada system to enhance the performance and sustainability of our wastewater treatment processes. We have been approved for a site visit in the next couple of weeks at which time we will know if we have been approved for funding.						
Jim Trawick Park - Phase X Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)	Consultant: Fred Fox Enterprises	Development	37.017	\$ 200,000		
Project: This funding will be used for Soccer Field Renovation, Playground Renovation to include ADA Equipment; Baseball Field No. 7 Renovation, Softball/T-Ball Field No. 8 Renovation, Add Exercise Station to Walking Trail, Picnic Facility Renovation, New Batting Cages, New Bleachers, Sidewalk to Batting Cages and Sidewalk to Playground Renovation. We are currently awaiting funding approval to see if we will be awarded.						
Chipley Fire Skid Unit U.S. Department of Agriculture, Forest Service, Volunteer Fire Assistance Grant Program		Purchase Equipment	10.66	\$ 11,247.00 Grant \$ 11,247.00	50% Match	
Project: This funding will be used to purchase a skid unit. This project has been approved for funding and we have purchased all of the equipment. We will now work on closeout of the grant.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
State of Florida Legislative Appropriations Request - Police Vehicles & Equipment Consultant: Liberty Partners of Tallahassee Project: This funding will purchase new police vehicles along with some much needed police equipment that the city has been unable to purchase during the budget cycle. We are currently awaiting funding approval to see if we will be awarded.		Purchase Vehicles and Equipment		\$500,000.00		
State of Florida Legislative Appropriations Request - Pean Street Resurfacing Consultant: Liberty Partners of Tallahassee Project: This funding will allow us to work on the drainage and resurfacing of Pecan Street. We are currently awaiting funding approval to see if we will be awarded.		Design Construction		\$750,000.00		
State of Florida Legislative Appropriations Request - Construction for Bickyard Road Sewer Consultant: Liberty Partners of Tallahassee Project: This funding will allow us to construct the 5,500 linear feet of gravity sewer main on Brickyard Road that we are currently advertising for engineering services. We are currently awaiting funding approval to see if we will be awarded.		Construction		\$1,000,000.00		
RFQ for Real Estate Services Project: We have advertised for RFQ's for Real Estate Services. We had to extend this RFQ out due to us not receiving any submittals. We will bring this to the council for approval in May.						
Wastewater Facilities Plan Florida Department of Environmental Protection - State Revolving Fund Consultant: Mott MacDonald Project: This funding will allow us to have a Wastewater Facilities Plan prepared in order to allow for us to apply for future State Revolving Fund funding.		Planning		\$90,000.00		
Drinking Water Facilities Plan Florida Department of Environmental Protection - State Revolving Fund Consultant: Mott MacDonald Project: This funding will allow us to have a Wastewater Facilities Plan prepared in order to allow for us to apply for future State Revolving Fund funding.		Planning		\$90,000.00		

FDEP Septic to Sewer Project Florida Department of Environmental Protection , Nonpoint Source Grant Program		Design Construction		\$1,325,500.00		
Project: This funding will allow us to improve water quality, protect public health, and enhance wastewater infrastructure by moving 32 septic systems onto our city sewer system. We are currently awaiting funding approval to see if we will be awarded.						
Pecan Street Improvements Project Florida Department of Transportation, Municipal SCOP		Design CEI Construction		\$1,844,457.98		
Project: This funding will allow us to make improvements to Pecan Street from South Boulevard to Church Avenue, which is approximately .738 miles. We are currently awaiting funding approval to see if we will be awarded.
