### Ford Interceptor:

- The vehicle is currently on the lot and ready for equipment installation.
- One radar unit is in stock and available for immediate shipping to the dealership.
- A new camera system will need to be purchased for this vehicle.
- The quoted dealer price includes installation of both the radar and the camera system.

- **Camera system cost:** \$8,533.20

### Ford Responder:

- This vehicle is scheduled to arrive within the next 30 days.
- Although not all equipment is currently in stock, the timing of delivery allows for the equipment to arrive near the same time as the vehicle, minimizing delay.

- **Radar cost:** \$2,590.25
- **Camera system cost:** \$8,533.20

**Total equipment cost outside of the dealership quote: \$19,656.65**
