

December 29, 2023

Dear Mayor and fellow council members,

I am writing this letter to inform each of you of my resignation as council member of Ward 4, effective December 30, 2023. This letter, nor this decision, came easy and has not been taken lightly.

In a very short amount of time, I had the pleasure to serve and meet many great citizens of our community and have received a wealth of knowledge regarding the workings of our beautiful town. It has been an honor to serve alongside each of you. Unfortunately, at this time, it is in the best interest of my family and myself to step down as we begin a new year.

Moving forward, I wish you all the best as you continue to work diligently in caring for our wonderful community, confident you will meet all the goals you have set in place. I will be praying for each of you daily. Serving in a small town is by far NO small job.

As we work towards our personal and business goals for 2024, I am certain that our paths will cross and I look forward to having the ability to continue to serve my community in other capacities.

With my deepest sincerities,
