## **STAFF REPORT**

**SUBJECT:**     Chipley Station - Discussion

### **MEETING DATE**

Tuesday, May 13, 2025

### **PREPARED BY**

Patrice Tanner, City Administrator

### **SUMMARY**

It has come to our attention that Chipley Station's plan included parking spaces extending to the west side of their property line, which includes approximately 8.5 parking spaces, while the city had originally approved only 6 parking spaces in the land lease agreement. Owners Steve Storlie, Jeff Dexter, and Mike McDonough from Chipley Station would like to discuss this discrepancy with the City Council and seek a resolution.
