

City of Chipley Schedule of Projects

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Stormwater Drainage Study Florida Department of Commerce, Rural Infrastructure Fund	D0190	Planning	40.042	\$ 291,785	11/12/21	11/12/24
Project: This funding was used to do a city-wide drainage study and develop a Preliminary Engineering Report (PER) to include recommended mitigation actions, preliminary plans and proposed mitigation activity project costs. The final plan has been approved by the City Council and we are in the process of closing out this grant. The city has now been reimbursed all costs associated with this project by the state.						
2024 PHMSA Technical Assistance Grant U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Technical Assistance Grants		Equipment Purchase	20.710	\$ 60,863		
Project: This funding was not approved for funding. We are currently working on submitting a 2025 PHMSA Technical Assistance Grant which will purchase GIS Mapping software and contracting and combustible gas detection equipment.						
Bennett Drive Improvements Florida Department of Transportation, Small County Outreach Program (SCOP)		Design Construction CEI	55.009	\$ 794,759.57		
Project: This funding will be used for drainage and resurfacing improvements to Bennett Drive from East Church Avenue to Glenwood Avenue (approx. 0.52 miles). The agreement was approved by the City Council in August 2024, and the RFQ for Professional Services is on the agenda this month for award based on the Selection Committee scoring.						
First Responder Emergency Equipment State of Florida Department of Commerce, Local Economic Development Initiatives	HL175	Fire Tanker and Equipment	40.038	\$ 500,000	07/01/23	06/30/25
Project: This funding was used to purchase a Freightliner 1,250 gallon Tanker Truck, along with nine (9) SCBA Packs, twenty (20) SCBA Cylinders, nine (9) SCBA Facepieces, one (1) Charging Station, and six (6) Battery Packs. The tanker truck has been ordered and has an estimated arrival date of mid 2025 and all of the equipment has been ordered and received. We submitted a request for funds for the entire project amount and the funds have been received and have been placed in deferred revenue until such time that the truck is received. The truck is currently being built.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Lead Service Line Replacement Florida Department of Environmental Protection, Drinking Water State Revolving Fund		Planning Engineering Construction Technical Services		\$ 275,000 \$540,000 \$8,800,000 \$640,000 \$ 10,255,000.00		
Project: This grant/loan funding will allow us to replace any lead service lines that are found during the inventory that is currently being completed. The inventory has been completed and we are awaiting further direction from FDEP.						
Shivers Park Project Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)		Development Project Consultant: Fred Fox Enterprises	37.017	\$ 200,000		
Project: The City Council approved the agreement in November 2024. This funding will be used to construct pickleball courts, an ADA playground and sidewalks to the new courts and playground, along with renovations to the existing parking lot, playground area, picnic pavilion and restrooms. We are currently working on the required commencement documents and once completed and approved by the State we will start the project.						
Gilmore Park Project Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)		Development Project Consultant: Fred Fox Enterprises	37.017	\$ 50,000		
Project: The City Council approved the agreement in November 2024. This funding will be used to construct a new playground, picnic pavilion and security lighting, along with renovations to the existing playground, restrooms and parking lot. We are currently working on the required commencement documents and once completed and approved by the State we will start the project.						
Old Chipley City Hall - Phase II Florida Department of State, Division of Historical Resources		Planning	45.031	\$ 50,000		
Project: This funding will be used to procure a consultant to do additional assessments to the building to include mold, electrical, mechanical and ADA recommendations. The architectural and structural assessments were completed in Phase I of this project. The agreement has been approved by the City Council and the award for the RFQ for Professional Services is on the agenda for approval this month.						
2023 Bulletproof Vest Program United States Department of Justice, Bureau of Justice Assistance, Bulletproof Vest Partnership	2023 BVP	Bulletproof Vests	16.607	\$ 1,275 Match \$ 1,275	04/01/23	08/31/25
Project: This funding will be used to purchase three (3) bulletproof vests. Bulletproof Vests have a life of five (5) years and then they are required to be replaced. This grant covers up to 50% of the cost of the vests.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Lift Station Generators Project Federal Emergency Management Association, Florida Division of Emergency Managmeent and Florida Department of Commerce, Comm. Development Block Grant	H0767	Generators	97.039	\$ 117,520	10/12/21	07/31/24
	M0143 Project Consultant:	Wheeler EMC	14.228	Match \$ 38,561	07/25/22	12/31/24
Project: This funding will be used to purchase one (1) generator for John Teal Lift Station and one (1) generator for Vo-Tech Lift Station. These generators will help during power outages related to hurricanes and prevent sewage spills. The arrival date for the generators was in the October/November timeframe and we should have an update at the meeting next week on the timeline to install them and finalize this project.						
NW Stormwater System Restoration U.S. Department of Housing & Urban Development Florida Department of Commerce, Community Development Block Grant	M0014	Administration Engineering Construction CEI	14.228	\$ 2,916,119	04/25/22	04/24/25
	Project Consultant: Melvin Engineering					
Project: This funding will be used to clean, reshape and stabilize ditches, construct new lateral outfall ditches, and expand existing crossdrains in the Northeast section of the City. This will include new culverts and a major box culvert at Griffin Road. Project locations will be on or near the following: west of Griffin Road, Griffin Road, North and South Railroad Avenue, Old Bonifay Road, the corner of North Railroad Avenue and Rustin Drive, 1st Street, Watts Avenue, 2nd Street and Glenwood Avenue. It has been determined that a three-inch gas main is located near the construction site. The engineers are in discussion with the gas company but this will cause a delay in proceeding to the construction phase.						
Washington County Industrial Park Project				\$ 7,714,100.00		
Project: This is a joint effort between the County and the City to develop water, sewer and gas infrastructure, along with a roadway in the Washington County Industrial Park.						
City Hall Generator Federal Emergency Management Association, Florida Division of Emergency Managment		Generator	97.039	\$ 126,000		
	Project Consultant:	Wheeler EMC				
Project: The City applied for this funding in August 2023. If approved, it will provide a generator at City Hall for hurricane related power outages. We have finalized all RFI's and we are awaiting approval on this project.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Chipley Fire Truck and Equipment United States Department of Agriculture Pass-through Florida Department of Agriculture and Consumer Services Community Facilities Loan and Grant Program	Resolution No. 22-31	Fire Pumper and Equipment	10.766	\$ 338,000 Loan/Grant \$ 330,000 ARPA Funds		
Project Consultant: SERCAP						
Project: This funding will be used to purchase a new fire pumper apparatus and equipment to ready it for use. The truck has been received. We held the Push-In Ceremony on May 14th and the bond closing took place on May 21, 2024. The truck and equipment has been paid for. We have about \$13,000 left to spend from grant funds, and we hope to have this project finalized and closed out in the next 30 days.						
Chipley Mongoven Building U.S. Department of Housing & Urban Development Florida Department of Economic Opportunity, Community Development Block Grant	M0041	Engineering Construction CEI	14.228	\$ 852,800	04/14/22	04/14/25
Project Consultant: Melvin Engineering						
Project: This funding will be used to purchase the Mongoven Building property, demolish the building, and build a nice park area. The property has been purchased and the demolition bids have been received. The construction is currently at 100% complete and we are currently advertising for bids for Phase II construction, which includes the structural stabilization of the project.						
Chipley Peach Street Lift Station Improvements U.S. Department of Housing and Urban Development, Community Development Block Grant	H2567	Administration Engineering Construction CEI	14.228	\$ 700,000 ARPA Funds \$ 240,825	01/01/23	07/31/25
Project Consultant: Fred Fox Enterprises/Mott MacDonald						
Project: This funding will be used to replace the Peach Street Lift Station and if the funds are available also complete septic to sewer on 1st Avenue. This project environmental review phase is now complete and we are awaiting the approval to move forward with project expenditures. We will have additional information at the meeting next week regarding award of the bid for construction on this project.						
Citywide Flooding Resiliency Improvements U.S. Department of Housing and Urban Development, Community Development Block Grants (CDBG-MIT) General Infrastructure Program	MT148	Administration Engineering Construction CEI	14.228	\$ 2,936,950	01/19/23	01/19/27
Project Consultant: Melvin Engineering						
Project: This funding will be used to clean, reshape and stabilize existing ditches, construct new lateral outfall ditches; restore and expand existing cross drains to ensure proper conveyance to the stormwater management facility. This project has been advertised for construction bids.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Public Works Building Solar Panel Project Florida Department of Agriculture & Consumer Services, Florida's Fiscally Constrained Energy Efficiency Program	30764	Construction	81.041	\$ 200,000.00		09/30/25
Project: This funding was used to install a 40 kilowatt photovoltaic solar power system at the Public Works Building. The panels have been placed on the roof of the building. The contract with Alternative Energy Systems is 100% complete and FPL has installed the new bi-directional meter. We will continue to monitor this project to determine the savings the City is receiving from the solar panels.						
2024 PHMSA Infrastructure Grant U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Natural Gas Distribution Infrastructure Safety and Modernization Grant		Construction	20.708	\$ 700,071.00		
Project: This funding was applied for again in June 2024. It will include gas main and service line replacement, retiring existing gas mains and service lines, and replacing inoperable valves. This is a very competitive grant program and we were not approved for funding in this cycle.						
2024 Bulletproof Vest Program United States Department of Justice, Bureau of Justice Assistance, Bulletproof Vest Partnership	2024 BVP	Bulletproof Vests	16.607	\$ 1,045 Match \$ 1,045		
Project: If approved, this funding will be used to purchase two (2) bulletproof vests. Bulletproof Vests have a life of five (5) years and then they are required to be replaced. This grant covers up to 50% of the cost of the vests.						
Speed Reduction Efforts Florida Department of Law Enforcement Edward Byrne Memorial Justice Assistance Grant Program, Florida JAG Direct	2023-JAGD	Purchase Traffic Radar Data Collector	16.738	\$ 1,579		
Project: This grant will purchase a traffic radar data collector will be paired with previously purchased speed signs to provide data on when and where to focus traffic efforts. We are currently working on ordering this equipment.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Gilbert Acres Stormwater Improvements Florida Department of Environmental Protection, Resilient Florida Program		Design Construction		\$ 2,880,000		
Project:: If approved, this funding will be used to improve the outfalls from Gilbert Acres to the west (toward Alligator Creek) and back to the east toward US 90, where the City also has the Peach Street project and lift station project. We should have an answer soon.						
Reconnecting Communities U.S. Department of Transportation, Reconnecting Communities Pilot Discretionary Grant Program		Design	20.940	\$ 250,000 Match \$ 50,000		
Project:: If approved, This funding will support the development of preliminary engineering drawings for a comprehensive planning initiative aimed at enhancing three distinct segments in Chipley. The proposed improvements of these segments include the installation of ADA-compliant sidewalks and crossings, upgraded lighting, landscaping enhancements, and more. A similar project was applied for in 2023 under the Neighborhood Access and Equity Grant Program, which is no longer offered. This project was not approved for funding.						
ADG Backflow Program						
Project: We have been working on a backflow program that will benefit City Hall and the Public Works Departments in tracking annual backflow certifications. We are working with CLS Technology to allow Public Works access to our City Hall server so they can login and utilize the program. Once this is complete we should be ready to move forward with using the program.						
Utility Kiosk						
Project: We have reached out to companies about kiosks and we are currently working with our software provider to determine the best route for us to go in order to be able to make the most efficient use of the equipment we purchase. Some kiosks are compatible and some are not so we are working through that and will know more soon. Now that we have worked through the finalization of the ARPA funding we should be able to now move forward with this project utilizing city fund.						
Chipley Downtown Parking Project Florida Department of Commerce, Rural Infrastructure Fund		Design Construction	40.042			
Project: This funding will be used to construct and rehabilitate city-owned properties to alleviate the parking insufficiency in the downtown area. This project was not approved for funding this cycle.						

Federal or State Agency	Agreement Number	Type of Work	CSFA Number	Funding Amount	Agreement Effective Date	Agreement End Date
Brickyard Road Wastewater Design Project Florida Department of Commerce, Rural Infrastructure Fund		Planning	40.042	\$ 295,000		
Project: This funding will be used for the design, engineering, and survey work needed to extend public sanitary sewer service approximately 5,500 linear feet along Brickyard Road. This is a critical east/west corridor, and the extent of the project includes SR-77 to Hoyt Street. This project was approved for funding and we are currently waiting for the agreement to bring to the City Council for approval.						
I-10/Highway 77 Infrastructure Design Project Florida Department of Commerce, Rural Infrastructure Fund		Planning	40.042	\$ 246,500		
Project: This funding will be used for the design, engineering, and survey work necessary to extend wastewater and natural gas infrastructure to the south quadrants of the I-10 and State Road 77 Interchange. This project was not approved for funding this cycle.						
Jim Trawick Park - Phase X Florida Department of Environmental Protection, Florida Recreation Development Assistance Program (FRDAP)		Development	37.017	\$ 200,000		
Project: This funding will be used for Soccer Field Renovation, Playground Renovation to include ADA Equipment; Baseball Field No. 7 Renovation, Softball/T-Ball Field No. 8 Renovation, Add Exercise Station to Walking Trail, Picnic Facility Renovation, New Batting Cages, New Bleachers, Sidewalk to Batting Cages and Sidewalk to Playground Renovation.						
ChIPLEY Fire Skid Unit U.S. Department of Agriculture, Forest Service, Volunteer Fire Assistance Grant Program		Purchase Equipment	10.66	\$ 11,247.00 Grant \$ 11,247.00 50% Match		
Project: This funding will be used to purchase a skid unit. This project has been approved for funding.
