

What is a blessing box?

A blessing box is a "Little Free Pantry" which provides nonperishable food items as well as hygiene items to residents when they need them. Items can be taken at any time as needed and items can be placed in a box at any time. While anyone in the community can replace items at any time it is a part of the desired outreach program of the Connections Worship Center to make this an ongoing mission especially for our youth.

Blessing Box
