CITY OF CHIPLEY

STAFF REPORT

SUBJECT: Chipley Christmas Festival - Chipley Christmas Village

MEETING DATE	PREPARED BY
Tuesday, October 13, 2026	Patrice Tanner, City Administrator

SUMMARY

The Chipley Christmas Festival would like to transform the green area around the train depot into a Christmas village featuring approximately 12 small historical buildings each representing a piece of Chipley's past. Local businesses, organizations families, and community members would have the opportunity to pick which historical building they would like to sponsor. Sponsorships would help fund the construction, maintenance, lighting, storage, and continued expansion of the village.

The historical buildings would primarily be positioned around the outer perimeter of the green with the center open.

RECOMMENDATION

Discussion.
