SUMMARY

MK Wash & Go, LLC is requesting a Development Order for the redevelopment of Take 5 Oil Change. The property is located at 1405 Nadia Avenue, Parcel ID:00000000-00-2341-0008, 0.62 acres.

The proposed redevelopment meets all standards for uses allowed, density and intensity, and design standards for Chapter 44 – Zoning, ARTICLE VI – District Regulations, Section 44-163- Corridor development district. The CDD shall consist of where the majority of commercial development has occurred in the past, and where such uses are planned to occur in the future. The purpose of the CDD is to provide higher standards for redevelopment of deteriorating and/or unattractive structures and signs. The purpose also includes providing more stringent standards for new development so that such development aesthetically blends with the small city character of Chipley.

The existing stormwater management facility will be utilized with no additional improvements. The existing ground and building sign will be used.

The Planning & Zoning Commission met on January 8th and voted 4-0 in favor.
