- (d) Nonconforming permanent outdoor advertising signs. Nonconforming outdoor advertising signs are subject to this chapter, except that, if the only reason for the nonconformance is a failure to meet the spacing requirement between signs, the sign may remain subject only to the prohibition listed below:
- (1) Any sign within the city which is prohibited by or does not conform to the requirements of this chapter; except that signs that are within ten percent of the height and size limitations of this chapter, and that in all other respect conform to the requirements of this chapter, shall be deemed to be in conformity.
- (2) If, because of the removal of other signs, a sign comes into compliance with the spacing requirements, the owner of that sign may apply for a permit to maintain the sign as a conforming sign,
