

**CHILDREN'S TRUST
OF ALACHUA COUNTY**

Item:

Unsolicited Proposals

Requested Action:

Receive the information

Background:

Policy 6.80(A) allows agencies to submit unsolicited proposals. The Executive Director will consider whether the proposal meets the stated goals and objectives stated by the Trust, whether the services fill a community need, and whether the costs are commensurate with the outcomes proposed by the Agency. The Executive Director may consider other criteria in making a recommendation for funding so long as the criteria is explicitly stated in the recommendation.

Board Members have requested to see unsolicited proposals and the Executive Director's response. In August, the ED received three unsolicited proposals. The proposals and responses are attached to this item.
