

Item:

CTAC Program Updates

Requested Action:

The Board is asked to receive the information

Background:

Programs staff is actively preparing for the conclusion of FY22 and preparing for the start of FY23. These tasks will include afterschool extensions and renewals, summer camp contract closeout & board presentation, end of the year provider report analysis, contract renewals, and implementation of the opioid interlocal agreement.

CTAC staff will provide a presentation of final provider numbers for FY22 and preliminary provider numbers for FY23
