# **PURVIS GRAY**

### **COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE**

CTAC Members Children's Trust of Alachua County Gainesville, Florida

We have audited the financial statements of the governmental activities and each major fund of the Children's Trust of Alachua County (CTAC) for the year ended September 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, and Chapter 10.550, *Rules of the Auditor General*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 10, 2023. Professional standards also require that we communicate to you the following information related to our audit.

## **Significant Audit Matters**

### **Qualitative Aspects of Accounting Practices**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by CTAC are described in Note 1 to the financial statements. During the year ended September 30, 2023, CTAC adopted new accounting guidance by implementing the provisions of Governmental Accounting Standards Board (GASB) Statement No. 96, Subscription-based Information Technology Arrangements (SBITAs), as described in Note 1 to the financial statements. The accounting change was implemented as of October 1, 2022. Therefore, there was no impact on prior reported periods. We noted no transactions entered into by CTAC during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the net Other Postemployment Benefits (OPEB) liability for CTAC's OPEB provided to its employees is based on an actuarial valuation performed by a qualified actuary. The net OPEB liability represents the difference between the value of OPEB plan assets and the total OPEB liability, which is measured using various actuarial assumptions. These actuarial assumptions, if changed, could have a significant impact on the recorded amounts.

## CERTIFIED PUBLIC ACCOUNTANTS

Gainesville | Ocala | Tallahassee | Sarasota | Orlando | Tampa purvisgray.com

CTAC Members Children's Trust of Alachua County Gainesville, Florida

As a participating employer in the Florida Retirement System (FRS), a cost-sharing multiple-employer pension plan, CTAC records its share of the FRS net pension liability and deferred outflows and inflows. These amounts are based on an actuarial valuation performed by a qualified actuary retained by the FRS. The net pension liability represents the difference between the value of pension plan assets and the total pension liability, which is measured using various actuarial assumptions. Further, CTAC's allocation of the total net pension is based on its contributions for the year as a percentage of total contributions into the plan. If these assumptions were changed, the reported amounts could have a significant impact on the amounts recorded.

We evaluated the key factors and assumptions used to develop the estimates described above in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

### **Difficulties Encountered in Performing the Audit**

We encountered no difficulties in dealing with CTAC management in performing and completing our audit; however, commencement of the audit was delayed due to timing of receipt of requested audit documentation.

### **Corrected and Uncorrected Misstatements**

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Misstatements detected as a result of audit procedures were corrected by management. See attached Schedule of Audit Adjustments.

### **Disagreements with Management**

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### **Management Representations**

We	have	requested	certain	representations	from	management	that	are	included	in	the	manag	gement
repr	esent	ation lette	r dated _	·									

## **Management Consultations with Other Independent Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to CTAC's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

# **Other Audit Findings or Issues**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as CTAC's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

CTAC Members Children's Trust of Alachua County Gainesville, Florida

The following accounting pronouncements will be applicable in subsequent fiscal years:

- GASB Statement No. 100, Accounting Changes and Error Corrections The GASB has issued GASB Statement No. 100, Accounting Changes and Error Corrections, which will be effective for the year ending September 30, 2024. The statement enhances accounting and financial reporting requirements for accounting changes and error corrections. The statement defines accounting changes as: (a) changes in accounting principles, (b) changes in accounting estimates, or (c) changes to or within the financial reporting entity, each with its own financial reporting requirements. New principles or methodologies should be preferable to the prior principle or methodology with respect to qualitative characteristics of financial reporting understandability, reliability, relevance, timeliness, consistency, and comparability. Disclosure requirements include descriptions of accounting changes and error corrections and their quantitative effects on account balances.
- GASB Statement No. 101, Compensated Absences GASB Statement No. 101, effective for the fiscal year ending September 30, 2025, prescribes the accounting and financial reporting for estimation and recognition of liabilities associated with compensated absences, enhances and clarifies current definitions of leave for financial reporting purposes, and amends disclosure requirements in notes to financial statements to provide better consistency in financial reporting across entities.

### **Other Matters**

We applied certain limited procedures to management's discussion and analysis and the budgetary comparison information, and the required pension schedules, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the Statement of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Capital Projects Fund, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

## **Restriction on Use**

This information is intended solely for the use of CTAC Members and management of CTAC, and is not intended to be, and should not be, used by anyone other than these specified parties.
