

Item:

Maternal Health Contracted Community Partner Update from Doula Friendly Initiative (Mia Jones)

Requested Action:

The Board is asked to receive the report.

Background:

The Doula Friendly Initiative is one of Children's Trust contracted community partners who focus on maternal health.

Doula Friendly Hospital Initiative: Administered by A and A Doula Consulting, LLC, this is national designation centered around the evidence based best practice of promoting doula services. They are working with UF Health Shands and HCA North Florida hospitals and their administrative teams to implement policies and guiding principles that strive to integrate doula care as a healthcare team member.

This report is intended to provide update.

Programmatic Impact:

Goal 1- Children and youth are healthy and have nurturing caregivers and relationships.

Fiscal Impact:

\$49,197.00 Doula Friendly Initiative

Recommendation:

The Board is asked to receive the report.
