5. Initiatives must be aligned to a documented gap or need.
6. Funds will be invested and initiatives will be prioritized based on the highest educational, social, or emotional outcome value.
7. Initiatives will be evaluated in an open, transparent, and competitive manner in order to ensure equitable results and confidence in the process.

The Trust values fiscal and operational accountability and will fund partners in a manner that rewards efficiencies, takes advantage of economies of scale, and maximizes services to children or family members/support members in order to meet the educational, social, emotional, and/or physical health.
9. The complete portfolio of Trust investments shall be reviewed to ensure that Alachua County children and families have equitable access to services that will work to increase racial equity.
