Re: Fiscal Year 2025 Proposed Millage and Proposed Budget

In accordance with Florida Statutes, Chapters 125 and 200 and Chapter 26 of the Alachua County Code of Ordinances, I present to you the Proposed Millage and Proposed Budget for Fiscal Year 2025.

The FY2025 Budget totals \$17,631,434.00, a decrease of 4.85% over the FY2024 Amended Budget. The Budget supports the recommendations provided through the Strategic Plan approved by the Board. The Budget reflects the current approved Budget for providers and includes funds for an increase in the Financial Administration and Program Operations departments. The Budget has been developed to link funding with the Trust's desired goals while remaining flexible enough to respond to changing circumstances.

The FY2025 Budget includes the Trust's Mission, Vision, and Guiding Principles, population-level results and indicators, a Budget summary by fund, details for each fund, and an organization chart with the proposed new staff positions.

A summary of the major components of the FY2025 Budget is included below.

REVENUES

The Budget continues to fund the Trust's operations. In June, the Trust Board discussed and approved the FY2025 millage rate of .4500 mills, which is greater than the rolled-back rate of .4299 mills by 10.2%. This millage rate will generate an additional \$617,013, an increase of 6.6% over the FY2024 budgeted tax revenue. The Budget includes interest revenue of \$425,000, consistent with prior fiscal years.

EXPENSES

Grants and Aid

The FY2025 Budget provides \$12,027,892 in funding to support the community and its providers. It includes a 5% cost of living increase to address the inflationary growth impacting our community. The Budget also accounts for \$1,723,758 in commitments from FY2024 Fund Balance and \$825,000 in commitments from the unallocated FY2024 funding plan.

Personnel

The FY2025 Budget increased by 30.3% to \$2,060,258. The increase is reflective of several drivers:

- 5% cost of living increase for all personnel
- 3% increase in the cost of fringe benefits
- Addition of three positions recently approved by the Board
- Addition of three positions requested as a part of the Budget

Operations

The FY2025 Budget to support operations is consistent with prior fiscal years.

Reserve for Capital

The FY2025 Budget includes \$250,000 in funding.

Task Forces

The FY2025 Budget includes \$175,000 in funding for a needs assessment to assist in the creation of a comprehensive literacy plan for Alachua County. This needs assessment is included as a program expenditure with shared financial support from the Board of County Commissioners and Alachua County School Board.

According to the Government Finance Officers Association, Budgets that meet the highest standards receive the Distinguished Budget Award and serve as an effective Policy Document, Financial Plan, Operations Guide, and Communications Device. As the Children's Trust of Alachua County continues developing both its internal capacity and provider community capacity, the Trust's Budget and Budget process will continue to develop as it strives to meet the highest standards of transparency and accountability.

Sincerely,

Marsha Kiner

Executive Director

Alachua County Children by Race and Ethnicity

HISTORY OF THE CHILDREN'S TRUST OF ALACHUA COUNTY

The Campaign for the Children's Trust of Alachua County started as a grassroots movement made up of parents, grandparents, child advocates, and local activists. They knew in their hearts there was more our community could do to support our local children. Local data collected and shared by experts who serve children and youth in Alachua County supported those citizens' beliefs and lived experiences.

As early as 2002, the idea of creating a Children's Services Council (CSC) in Alachua County was being considered. None of those early efforts gained sufficient momentum to move forward. By 2015, however, certain projects helped crystalize the concept of a CSC. Community members, leaders, and stakeholders, including the Alachua County Board of County Commissioners (BoCC), the Greater Gainesville Chamber of Commerce, the University of Florida, Santa Fe College, the Alachua County Children's Alliance, United Way, Partnership for Strong Families, and the Alachua County Public Schools, began to revisit the idea. These citizens and organizations hosted many community input sessions and public meetings to discuss the path forward.

In 2016, the BoCC contracted with the Well Florida Council (wellflorida.org) to conduct a children's needs assessment, with a focus on children prenatal to 5 years old. The BoCC also voted to establish a dependent Children's Services Advisory Board (CSAB). The CSAB was tasked with recommending innovative and creative programs to serve young children, gather data, consult with existing programs, and ultimately make a recommendation to the BoCC regarding the advisability of creating an independent CSC in Alachua County.

The Campaign for the Children's Trust of Alachua County conducted polling to ascertain the level of commitment from the community. That polling showed residents supported the initiative, with local voters perceiving literacy, afterschool learning, nutrition, and vocational opportunities as the most important things which could be funded, with early learning and return on investment messages receiving the strongest support. In February 2018, the BoCC unanimously voted to move forward with a voter referendum to create and fund the Children's Trust of Alachua County.

Through these efforts, the Children's Trust of Alachua County was established according to Section 125.901 Florida Statutes and Alachua County Ordinance 18-08. In November 2018, the voters approved the Trust referendum by over 61% of the votes. As a Special Independent District with taxing authority, the Trust can levy up to .5 mil, resulting in annual estimated revenues over \$8,000,000.

OF ALACHUA COUNTY

MISSION, VISION, AND GUIDING PRINCIPLES

MISSION STATEMENT

The Children's Trust of Alachua County funds and supports a coordinated system of community services that allows all youth and their families to thrive.

VISION STATEMENT

Facilitate equitable access and opportunities for all children and families in Alachua County to ensure every child reaches their maximum potential.

GUIDING PRINCIPLES

Guiding Principles are utilized within organizations as a method to align behaviors, guide decision-making, and provide consistency with the Trust's Board values. The Trust's Board and stakeholders identified the following guiding principles:

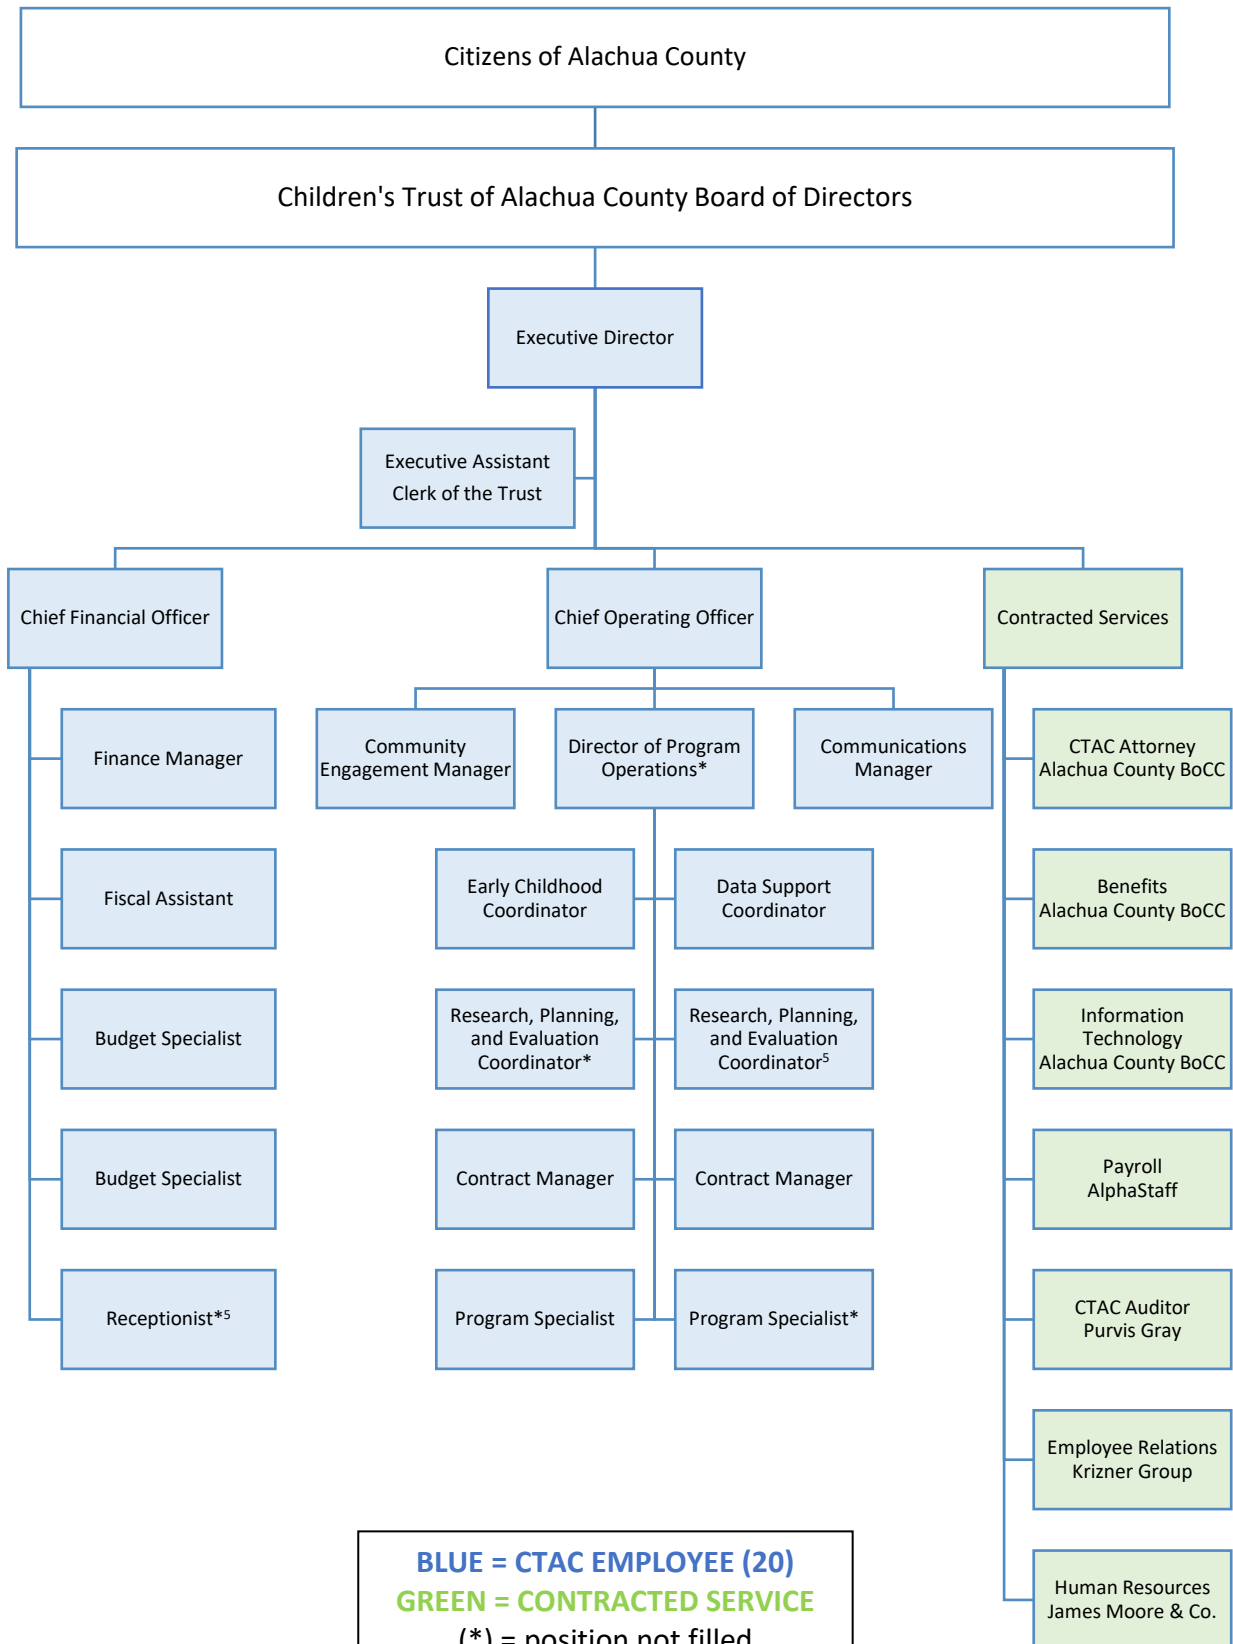

1. Initiatives should ensure accessibility to universal supports for all children 0 to 18 and their families; targeted supports for those who need additional help; and place-based supports for those with the greatest need.
2. Innovative initiatives should be funded that coordinate comprehensive systems of support and delivers those supports in collaborative ways that allows the Trust to achieve collective impact.
3. Initiatives shall be evaluated based on its ability to ultimately impact all children and youth, directly or indirectly, with a priority for long-term continual return on investment.
4. Initiatives must be measurable with priority given to a comprehensive system of supports that provide for prevention, timely intervention, and services that strengthen families and produce achievable results.
5. Initiatives must be aligned to a documented gap or need.
6. Funds will be invested, and initiatives will be prioritized based on the highest educational, social, or emotional outcome value.
7. Initiatives will be evaluated in an open, transparent, and competitive manner in order to ensure equitable results and confidence in the process.
8. The Trust values fiscal and operational accountability and will fund partners in a manner that rewards efficiencies, takes advantage of economies of scale, and maximizes services to children or family members/support members in order to meet the needs of educational, social, emotional, and/or physical health.
9. The complete portfolio of Trust investments shall be reviewed to ensure that Alachua County children, youth, and families have equitable access to services that will work to increase racial equity.
10. Prior to any funding decision, the direct impact on children and youth must be the primary consideration.

STRATEGY AND PLANNING PROCESS

The Children’s Trust’s Strategic Plan was finalized and adopted in summer 2023.

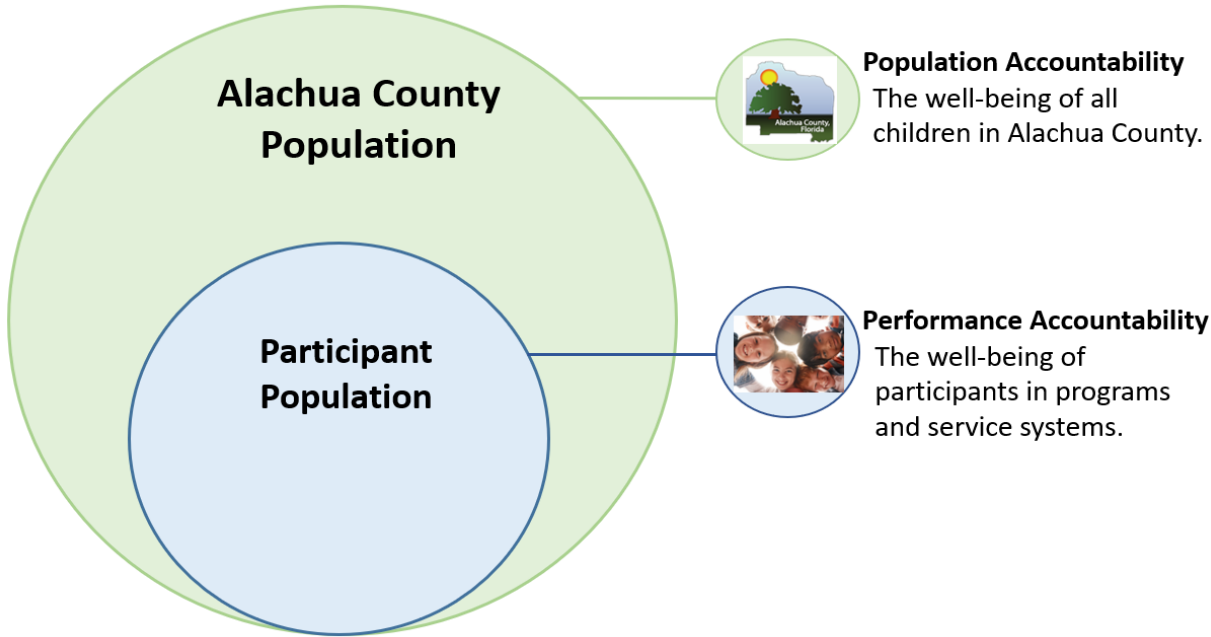

This Strategic Plan prioritizes funding investments and community partnerships for children, youth, and families in Alachua County in the following areas:

Goal 1	Goal 2	Goal 3
Maternal Child Health	Quality Early Care & Education	Mentoring & Character Building
Access to Comprehensive Care	VPK Outreach & Messaging	Out of School Time Activities
Care Coordination & Service Navigation	Out of School Time Activities	Community Collaboration
Family Resource Centers	Community Advisory Board	
System of Care Building		

Community Capacity Building		
Training Opportunities for Providers & Community	Non-Profit Capacity Building	Mini Grants

The Trust seeks to expand access to quality services that demonstrate strong evidence of positive impact for children and youth. Early on the Trust adopted the Results Based Accountability Framework. Results Based Accountability, or RBA, enables us to communicate and reinforce collective impact through strategically funding programs and convening partners around key community issues and apply a disciplined approach through defining and measuring key population indicators and performance measures connected with our overarching goals. It is critical to identify and galvanize powerful measures to determine the progress our community is making towards achieving community well-being. The Trust monitors community level indicators selected by the Strategic Planning Steering Committee. These community-level indicators allow us to consider the community-level context in which we seek to change through funding or inciting partnerships in areas of need for Alachua County children.

Alachua County Population Indicators & Programs Performance Measures

In collaboration with Trust evaluation staff, each funded program develops and monitors performance measures to assess whether services were delivered as intended, with quality, and determine outcomes or benefits from the program. To develop a collaborative dialogue, the Trust initiated a **Continuous Quality Improvement (CQI)** process to provide a way to systematically review, share results, and support improvements. The CQI process includes

review of data on program performance measures and administrative processes to promote shared reflection and planning on a regular cyclical basis. Evaluation and contract management staff meet with and review reporting regularly from our funded programs.

SAMIS

An online portal for the Children’s Trust of Alachua County and its providers to manage and track our work together more efficiently.

In October 2023, the Trust launched SAMIS with providers. To date, we have on-boarded:

53	74	175
		
Agencies	Programs	Provider Staff

On-going shared measurement, tracking, and collaboration are cornerstones of RBA and CQI. SAMIS will provide important infrastructure support and enable us to maximize data analytic capabilities to inform decision-making. SAMIS facilitates the integration and management of several different business processes:

- Grants/Applications
- Budget/Fiscal
- Contract Management
- Programmatic/Evaluation
- Learning Management
