

CHILDREN'S TRUST

Children's Services Advisory Board Goals (2015)

- Ensuring that every baby is a healthy baby.
 Ensuring that all parents have the resources they need to prevent child abuse and neglect before it starts.
 Ensuring that all families have access to affordable, high quality and developmentally appropriate early learning and
- ☐ Ensuring that all children enter kindergarten ready to learn and to succeed.

care.

These Goals Were Responsive to the Key Findings and Recommendations from the WellFlorida Needs Assessment

| Insufficient community awareness and understanding of the importance of and |
|---|
| factors affecting early childhood brain development. |
| Many early childhood services have capacity, but those needing the services are |
| not sufficiently familiar with the services. |
| Quality early learning and care services are underutilized due to cost, access |
| (location/transportation), and hours of operation. |
| Parents may not be well informed about factors affecting the quality of early |
| learning and care services. |

Approximately \$7.1 million for children's services

Provides sustainable funding for the three initiatives

Leadership

Mission, Vision, and Guiding Principles

Mission Statement

The Children's Trust of Alachua County funds and supports a coordinated system of community services that allows all youth and their families to thrive.

Vision Statement

Facilitate equitable access and opportunities for all children and families in Alachua County to ensure every child reaches their maximum potential.

Mission, Vision, and Guiding Principles

Guiding Principles

Guiding Principles are utilized within organizations as a method to align behaviors, guide decisionmaking, and provide consistency with the Trust's Board values. The Trust's Board and stakeholders identified the following guiding principles:

- 1. Initiatives should ensure accessibility to universal supports for all children 0 to 18 and their families, targeted supports for those who need additional help, and place based supports for those with the greatest need.
- 2. Innovative initiatives should be funded that coordinate comprehensive systems of support and delivers those supports in collaborative ways that allows the Trust to achieve collective impact.
- 3. Initiatives shall be evaluated based on their ability to ultimately impact all children, directly or indirectly, with a priority for long-term continual return on investment.
- 4. Initiatives must be measurable with priority given to a comprehensive system of supports that provide for prevention, timely intervention, and services that strengthen families and produce achievable results.
- 5. Initiatives must be aligned to a documented gap or need.

Mission, Vision, and Guiding Principles

Guiding Principles

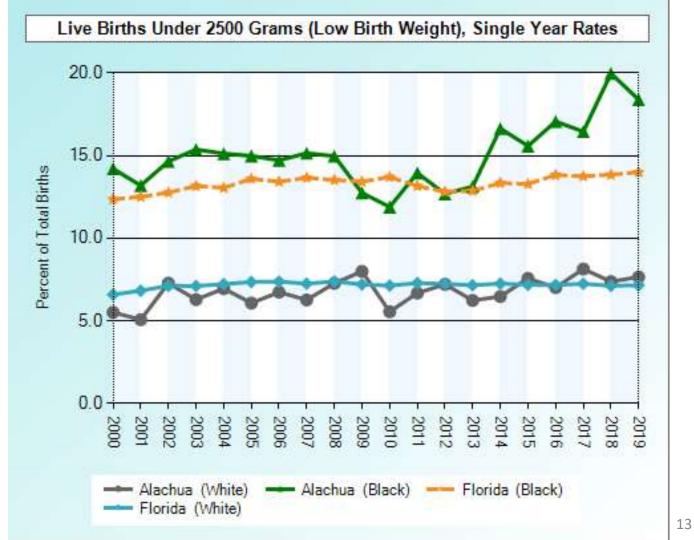

Guiding Principles are utilized within organizations as a method to align behaviors, guide decisionmaking, and provide consistency with the Trust's Board values. The Trust's Board and stakeholders identified the following guiding principles:

- Funds will be invested and initiatives will be prioritized based on the highest educational, social, or emotional outcome value.
- 7. Initiatives will be evaluated in an open, transparent, and competitive manner in order to ensure equitable results and confidence in the process.
- 8. The Trust values fiscal and operational accountability and will fund partners in a manner that rewards efficiencies, takes advantage of economies of scale, and maximizes services to children or family members/support members in order to meet the educational, social, emotional, and/or physical health.
- 9. The complete portfolio of Trust investments shall be reviewed to ensure that Alachua County children and families have equitable access to services that will work to increase racial equity.
- 10. Prior to any funding decision, the direct impact on children must be the primary consideration.

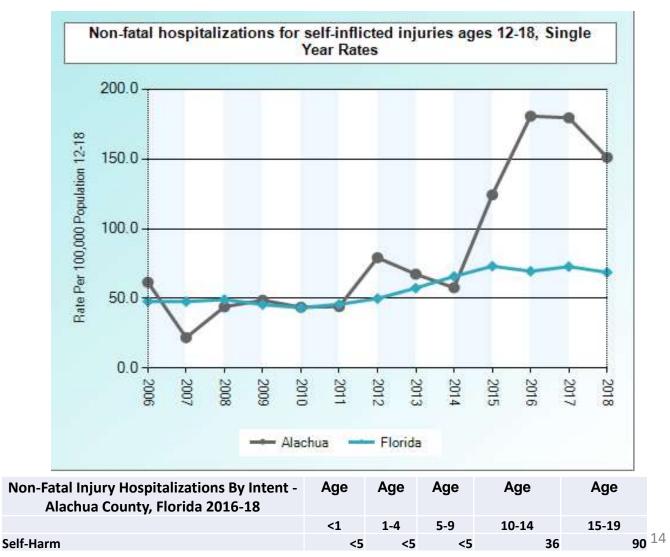

Recommended Turn the Curve Indicators

| Indicator | Rationale | Data Source | Most Recent Value |
|---|--|------------------|------------------------|
| Infant mortality rate per 1,000 live births | Proxy for health care access and health equity | FL Health Charts | 10 per 1,000 births |
| Hospitalizations for self-inflicted injuries ages 12-18 | Proxy for mental health access and services | FL Health Charts | 170 per 100,000 |
| Bacterial STDs 14-19 | Proxy for youth development access and health | FL Health Charts | 3,667 per 100,000 |
| Child Food Insecurity rate | Proxy for family stabilization | FL Health Charts | 20% of children |

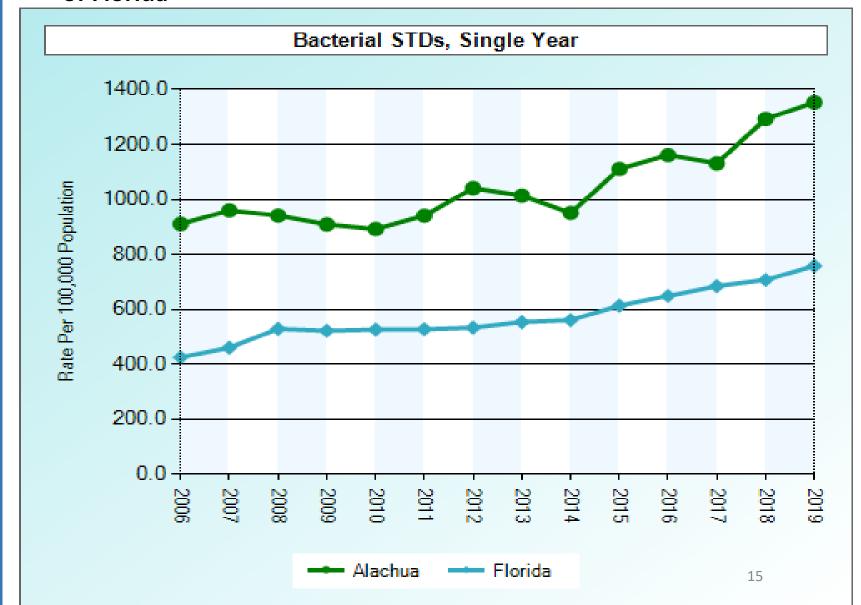

Alachua County rates for low birth weight are considered in the 4th quartile (worse off) in the State of Florida. 11% of all births are considered low birth weight and 18% of all black births were low birth weight

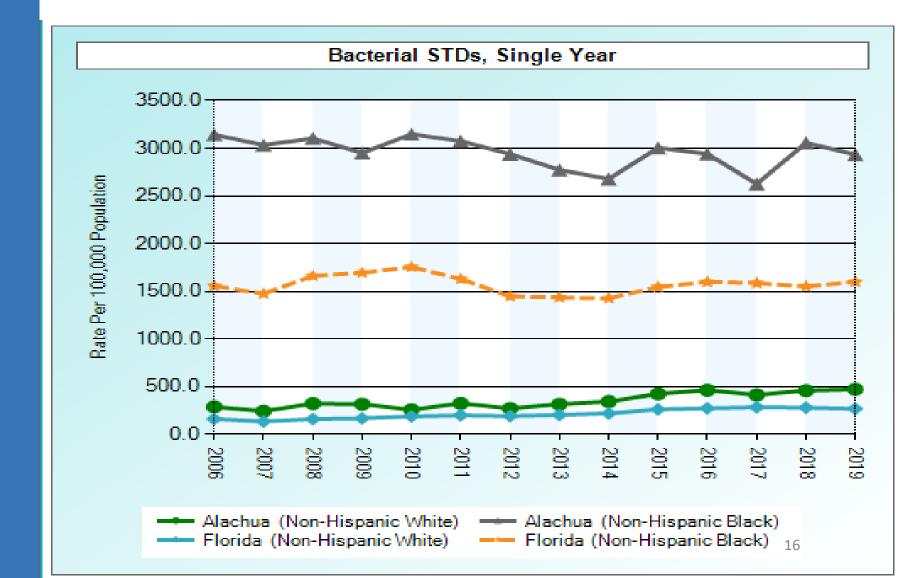

Alachua County rates for non-fatal hospitalizations due to self-inflicted injuries for youth ages 12 to 18 are considered in the 4th quartile (worse off) in the State of Florida. Based on 3-year average, Ages 15-18 are the most common for self-harm to occur

Alachua County bacterial STDs rates for youth ages 15 to 19 are increasing and considered in the 4th quartile (worse off) in the State of Florida

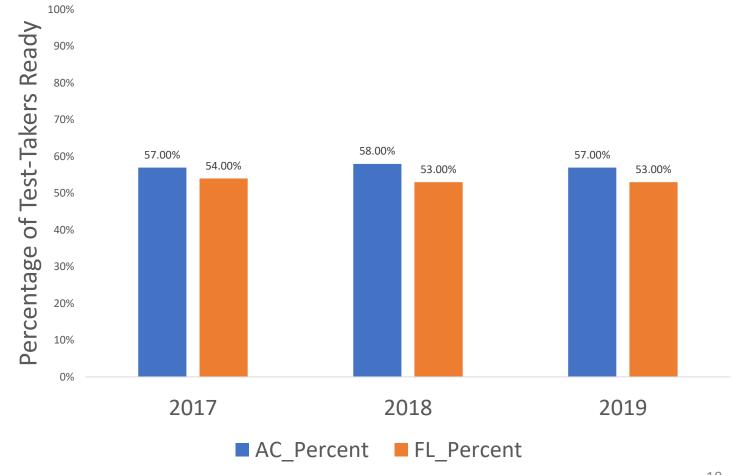

Alachua County bacterial STDs rates for youth ages 15 to 19 are particularly high for Black, Non-Hispanic teens

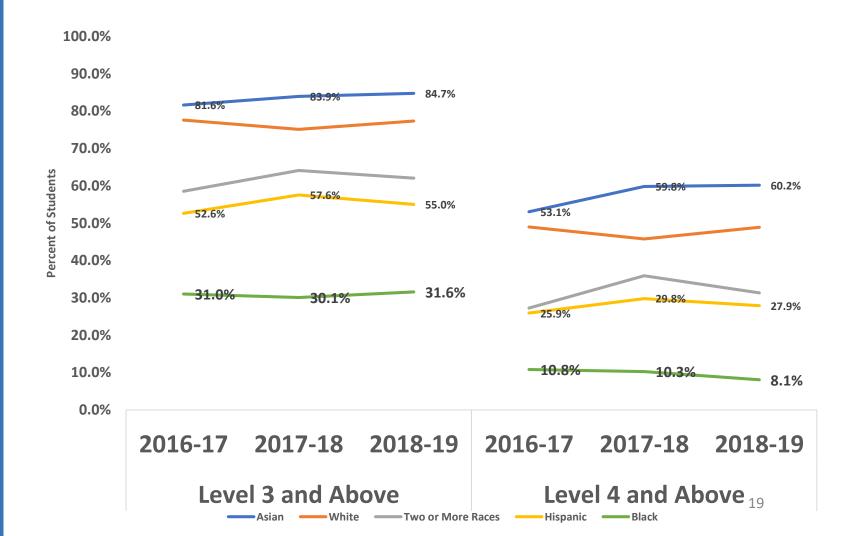

Recommended Turn the Curve Indicators

| Indicator | Rationale | Data Source | Most Recent Value |
|---|--|---------------------------------------|------------------------|
| Children ready for kindergarten | Proxy for education quality and access | Florida Department of Education | 57% of kindergarteners |
| 3 rd Grade reading levels | Proxy for education quality and access | Florida Department of Education | 31% for black youth |
| High School Graduation rates | Proxy for education quality and access | Florida Department of Education | 80% for black youth |

57% of Alachua County children are ready for kindergarten

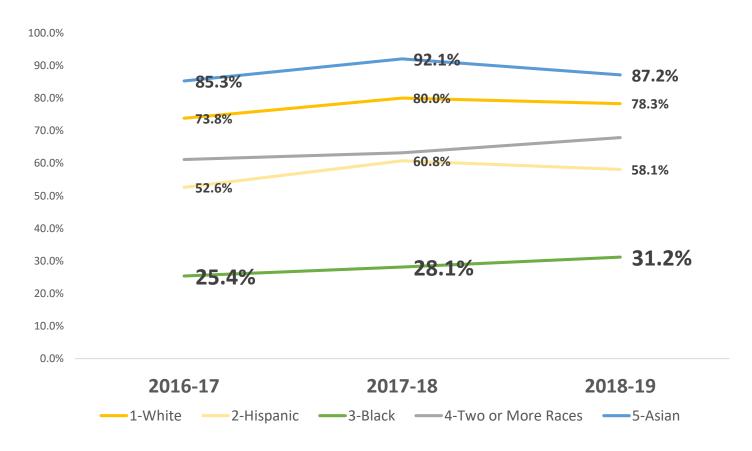

31% of black children in Alachua county scored at a passing score (level 3 or higher). The county overall scored at 57% in 2018-19

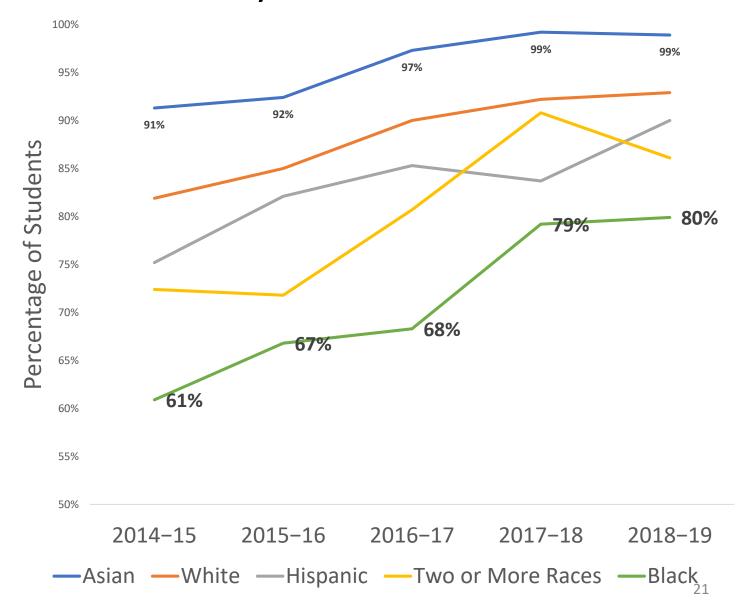

Source: Florida Department of Education, 3rd Grade FSA Scores: English Language Arts, By Race

31% of black children in Alachua county scored at a passing score (level 3 or higher) on 8th grade English assessment. The county overall scored at 61% in 2018-19

80% of black youth graduated high school in Alachua county. The county overall was 88% in 2018-19

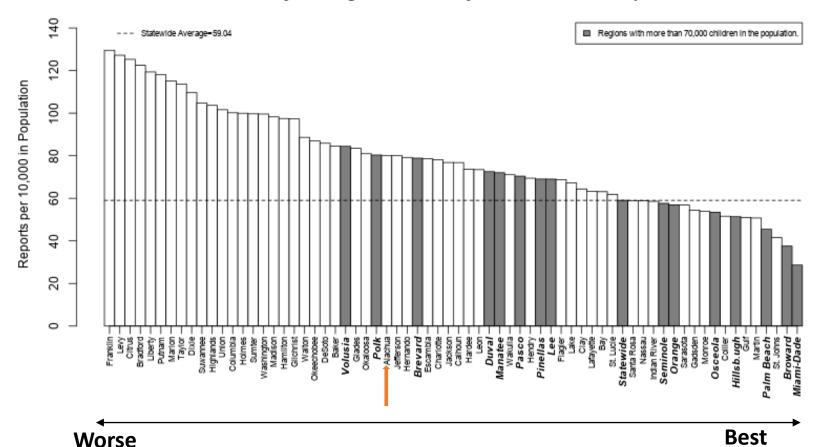

Recommended Turn the Curve Indicators

| Indicator | Rationale | Data Source | Most Recent Value |
|----------------------------------|---|--------------------------------|---|
| Children subject to Maltreatment | Proxy for safety and supportive relationships | Fostering Court Improvement | County ranked 28 th of 67 counties |
| Youth Arrests | Proxy for youth development and availability of prevention services | FL Health Charts | 238 per 10,000 youth |
| Children in foster care | Proxy for family stability | FL Health Charts | 503 per 100,000 |

Alachua county ranks 28th for children subject to maltreatment reports in the state of Florida. 80 reports per 10,000 vs Florida is 59 per 10,000

| Alachua County Children Subject of Maltreatment Reports (duplicated) During October 2018 through September 2019 | Count | Rate | State Rate | Rank (high=1 to low=67) |
|--|-------|--------------|--------------|-------------------------------|
| Children Subject of Maltreatment Reports | 4,921 | 80.1 per 10K | 59.0 per 10K | <u>28</u> |

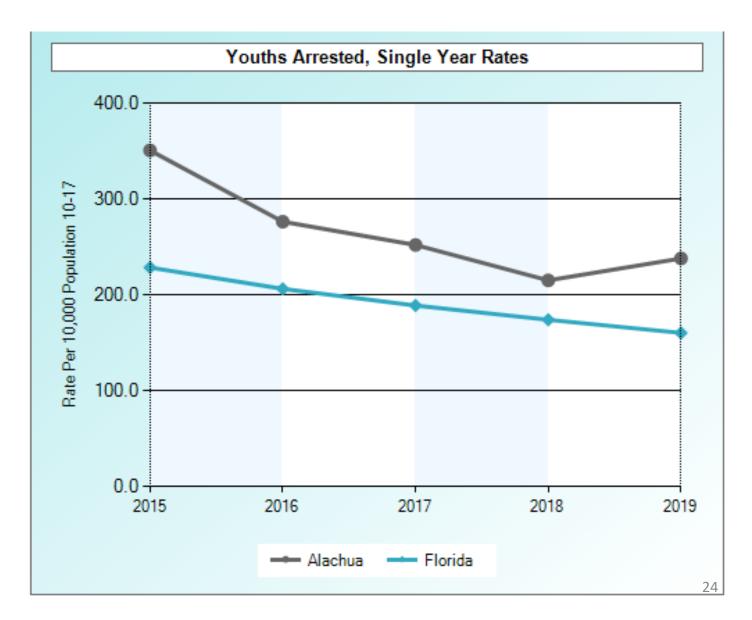

County Rankings: Children Subject of Maltreatment Reports

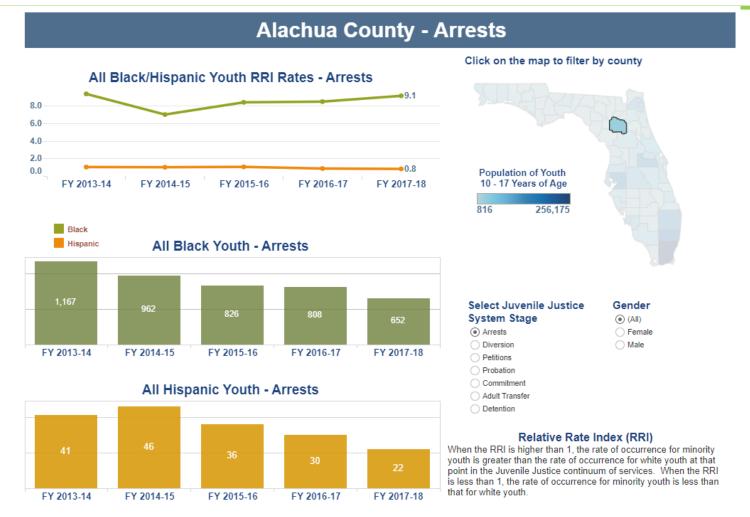

Source: Fostering Court Improvement

https://fosteringcourtimprovement.org/fl/County/Alachua/

Alachua county youth are arrested at a rate of 238 per 10,000 youth. This puts Alachua in the 3rd quartile (worse off) in the state

Black youth have a 9.1 relative rate index compared to white youth in Alachua. This puts Alachua in the 2nd worst ranking in the state compared to 67 counties.

Source: FL Department of Children and Families, Alachua

283 children ages 0-17 were in out-of-home care as of July 31, 2020. 51% of those children are black
