

Minutes from the April 12th meeting in Newberry:

- **Roll Call: Kathy Penny, Archer, Jordan Marlowe, Newberry, Jennifer Blalock, Alachua, Mark Modas, Newberry, and Marsha Kiner, Children’s Trust**
- M. Kiner shared that the Interlocal agreement has not yet reached the Trust. She asked for each city to follow up and forward the agreement if it still needs to be routed. Once all signatures are incorporated, the Trust will begin invoicing. She noted that no one can be hired to facilitate the campaign without funding.
 - Discussion about asking the City of Gainesville for in-kind services rather than a dollar amount to aid the Taskforce in some of it’s work. Discussion to ask the county for a dollar amount to leverage the funds already pledged.
- Meridian was not in attendance at the meeting. M. Kiner will follow up and request Meridian to attend the next meeting of the Taskforce. K. Penny shared the contact information of another organization that may be helpful as well (Elite DNA).
- Information was shared about two upcoming events in Newberry: April 22 Fundraiser for Health and Wellness – Fire Department will receive prescriptions (people can bring in their left-over prescriptions/opioids) and the department will dispose of them appropriately. The Fire Department will also be offering CPR and Narcan Demonstrations. They are raising funds to pay for a Baby Box.
- Discussion about the Goals of the Campaign and the need to develop a tagline for it.
- **Next meeting is scheduled for High Springs.**
