Describe	<p>Describe your program including how your services impact the lives of the Children of Alachua County.</p> <p>Limitless Adventures provides after-school care for children with special needs in Alachua County. We are currently the only program to provide this service for children who attend Alachua County Public Schools. We offer transportation from 4 area elementary schools, as well as 1 behavior learning center. We ensure a low staff-to-student ratio to allow personalized attention to the children in our care. We provide sensory accommodations, such as headphones, crash pads, swings, and fidget toys. We have an outdoor play area where students can safely enjoy physical activity, such as climbing, rocking, running, and jumping. We provide homework help, afternoon snack, and themed daily activities. Our goal is to provide a fun, safe environment for children with special needs.</p>

Specify Need

Please Specify your need in as much detail as possible. Include the dollar amount of your request. Explain how your request is an emergent need.

Limitless Adventures is currently renting space at the North Central Florida Community Center. We have a large room that offers our kids a good amount of space to play, relax, and move. However, because we are all in one room, we don't have a safe space available for when a child is having a meltdown and making unsafe choices (throwing, kicking, hitting, spitting). When our kids are in such a dysregulated state, a sturdy, walled off area is necessary to help contain them. We have tried numerous options, but the one that's been most effective is to just bring them outside to the playground until they're able to calm down...thereby making the playground unavailable to the rest of our students.

We have identified a vendor (OEC Business Interiors) who can build a semi-permanent structure for us. They have submitted 2 separate quotes of \$8647.24 and \$12002.84. The price discrepancy reflects the State of Florida contract price, which can be honored if the Children's Trust pays OEC directly. If the Children's Trust provides the funds to Limitless Adventures, which then uses those funds to pay OEC, then the standard commercial price of \$12002.84 would apply.

We are requesting money from the emergent needs fund, as we believe the safety of our children is at stake. We are concerned that one child's dysregulation may cause another child to be injured. By funding this project, the Children's Trust can help us continue to provide safe, effective care for children with special needs in Alachua County.

Request

What dollar amount are you requesting?

\$12,003.00

Steps	What steps have you taken to resolve the need on your own?
	<p>We have attempted to make our own "quiet area" using varying pieces of furniture (bookcases, couches, etc). We purchased room dividers to provide a visual cue to our students that a certain area is for calming down. We have purchased several "pods" or privacy tents, for our kids to enter when they need a moment to calm down. We have also tried several different baby gates to try to cordon off an area. None of these potential solutions has been effective at providing a private, safe, sturdy area that is large enough to allow for movement and decompression.</p>

Service delivery	How has the emergent need impacted your service delivery?
	<p>When one child is dysregulated, which may include screaming, hitting, kicking, or throwing objects, it affects all of our students. It becomes a domino effect, causing more of our students to become dysregulated. While we have had some success using the playground as an alternative safe space for a dysregulated child, this can cause further disruption for students who want to use the playground as it's designed. It's also an option very limited by any sort of inclement weather. We anticipate that the addition of a quiet room will help us to provide a calmer, safer, and more enjoyable environment for all of our students.</p>

**\*\*COMMERCIAL PRICING\*\***

This quotation contains special order items made to buyer's selections. Once approved, products ordered from this quotation cannot be returned or cancelled.

By approving the quote, sending email approval, or submitting a PO, purchaser signifies understanding of OEC Business Interiors cancellation and return policy.

This quotation expires 30 days from quote date EXCEPT in the event of additional tariffs. Many manufacturers are implementing surcharges with very little notice. The quote will be updated and resent as they become effective.

This quote matches layout # 5594 Revision # 1

Total includes OEC service to specify, order, receive, inspect, manage, deliver, install and service products. All services to be done Monday-Friday, 9AM - 5PM unless otherwise noted.

Federal ID number: 59-2866517

Please reference quote number on purchase order.

Purchase orders should be emailed to [orders@oec-fl.com](mailto:orders@oec-fl.com)

**Product will be invoiced, and the payment will be due in terms, when the product is received on the agreed upon delivery date.  
Services will be invoiced as the work is completed.**

**In case of customer delay, OEC will store products for 30 days free of charge. After 30 days, storage will be billed at .75% per month, with a \$50 minimum.**

**Earliest possible delivery at this time is 8 weeks from the time of order entry.**

**Quotes totaling over \$2000 not eligible for p-card/credit card purchase. Purchase order will be required.**

**If additional work is requested at time of service, a new quote will need to be generated and work scheduled at a later date.**

**Lead times may vary due to supply shortages, labor shortages and capacity limitations.**
