Hi everyone

If you have not already heard there are 13 new members on the county board. Everyone is working together to get things organized.

Last week we elected Frank Frassetto as our new County Board Chair. I have worked with Frank on a couple of committees I think he will do a great job.

Last night we received our committee assignments. I will again be the chair of the Planning and Zoning Committee, as well as serving on the Legislative Committee, Solid Waste Management Board, and the East Wisconsin Counties Railroad Consortium. These are the same committee assignments I had last term.

In May I plan to attend the following Town Board Meetings:

Winchester – May 4

Clayton – May 6

Wolf River – May 18

Have a blessed day

Howie

Howard Miller

Winnebago County Supervisor, Dist. 36
