DPS Report to Town Board

As of April 30<sup>th</sup>. 2026 the Dept. has been paged out for 102 calls. 60 were EMR calls and 30 were fire calls, and 12 calls that were both. This compares to 79 to date in 2025. This is an increase of 29.1% from 2025.

We have hired 4 new people, and we received an inquiry about how to apply for firefighter position.

- One is in his first year in school
- Two that have finished school and are paramedics as well
- One is a full-time firefighter/paramedic with the City of Oshkosh

Our current charter is for 35 firefighters, and we currently have 32 members. This is the most members we have ever had since we became Clayton Fire Rescue.

We have been busy doing sewer lateral inspections and diggers hotline marking. I am surprised how many locate requests there are. With all the construction in the area, I see that number continuing to increase.
