DPS Report to Town Board

As of August 1<sup>st</sup>. 2024 the Dept. has been paged-out for 156 calls. Eighty-six were EMR calls and sixty-one were fire calls, and nine, that were both. This compares to 137 to date in 2023. This is an increase of 14% over 2023.

After a late night of very hard work, our new engine was outfitted and put into service on July 23<sup>rd</sup>. The new engine will respond from station 42. Some other apparatus' have been moved around to better respond to calls in the Town.

CFR has been invited to take part in several public education opportunities.

- Birthday party for a young patient.
- August 3<sup>rd</sup>. Fox Crossing Fire's SOAR event
- August 10<sup>th</sup>. Brennand Airport's Old-Time Hanger days
- Our Touch-A-Truck event is August 17<sup>th</sup>. I invite the board to stop in and see the wide variety of equipment available if needed by our mutual aid partners.

We are looking for rescue heroes to join our department. Your help in spreading the word is appreciated.

Please consider donating blood. The need is great, and donors are in short supply.
